

A white dove is shown in flight, facing right, against a vibrant blue sky filled with soft, white clouds. A brilliant light source, possibly the sun, is positioned behind the dove, creating a strong lens flare and illuminating its feathers. The overall scene conveys a sense of peace and divine presence.

**The Healing Gifts of the Spirit** Agnes Sanford, 1984-08-15 This practical guide to spiritual healing blends insightful spiritual reflection and the wisdom of hard won experience in a reliable and inspiring handbook for developing our innate capacity for richer living and richer giving through the healing gifts of the Spirit Many years ago Agnes Sanford was cured of acute depression by a minister who believed in the healing power of prayer Subsequently she herself became very active and successful in healing others of mental and physical ailments by drawing upon the same resources for inner well being In *The Healing Gifts of the Spirit* she shares the simple practicable ways of self help she discovered and gives step by step advice on how to help others She discusses not only her own cure but also the gift of healing in general and its growing recognition in the contemporary church She devotes a chapter to the gift of miracles and another especially interesting to the gift of tongues Her exploration of these topics is richly inspiring offering readers one of the most detailed informative discussions of the nature dynamics and potential rewards of these unique manifestations of God's presence At the same time she demonstrates how anyone can draw upon this healing power for good in the world As evidence of how these gifts can and do reveal themselves the author cites many examples from observation and personal encounters with the healing power of the Spirit

Introduction God has created every person to be a supernatural spiritual being with the capacity to function not only in a natural world but also to access the realm of the spirit access where God is and to bring heaven to earth God's desire is that you be a channel for heaven coming to earth for His presence and goodness and healing and love and peace and prosperity to flow through you and to manifest in the world around you So in the course we'll be teaching about that supernatural dimension We'll teach about how miracles are activated what the keys are around that We'll teach you what the foundational key is is out of intimacy with God and hearing the voice of God and we'll give you practical steps practical keys how to start from wherever you are right now and step by step grow your faith so you can be starting to operate successfully and regularly and confidently in the gifts of the spirit So in the course we'll teach on the gifts of the spirit we'll give you a little bit about each We'll also give you some foundational understanding about the spirit man and how God works in and through us Also if you're watching this by DVD you'll see demonstrations of the power of God touching people you'll see demonstrations of how to move in words of knowledge hearing the voice of God minister to people You'll see all of that in this course and it will inspire you and help you God's given me ability to make it extremely clear and I know that you're going to really enjoy this Put in the effort Invest in yourself Do the course and put into practice the things you learn and you'll just be overjoyed when you see God is far more willing to work through you than you really realise His plan is that the kingdom come into the earth through you All you've got to do is learn how to do it In 1 Corinthians Chapter 12 Verse 1 Paul says I don't want you to be ignorant of spiritual gifts and this course is to help solve that problem God bless you Have a great time on the course and may you extend the kingdom of God boldly

*The Gifts of the Spirit and the Characteristics of Those Who Have Them* Steve Rogers,2019-01-10 As a sergeant in the United States Marine Corps it was my sworn duty to guide teach and protect those who served in subordinate positions In this role it was critical to provide clear and concise information so that those who trusted my leadership would not be ignorant to the mission or threats The apostle Paul gives a clear warning to Christian believers pertaining to the gifts of the Spirit I would not have you be ignorant His first century warning is quite relevant in this twenty first century where doctrinal literacy is lacking and knowledge of the Holy Ghost obtained through the Word of God and experience has been replaced with choreographed programs Without clear and concise teaching the warrior in Christ is left with a butter knife rather than a sword to cut through the traditions customs and church politics that leave a believer paralyzed in ignorance The Gifts of the Spirit and the Characteristics of Those Who Have Them is a book written to be a field infantry manual for the believer that is clear and concise It provides the believer with definitions of the gifts of the Spirit and examples of how they operated both in the first century church and this present age Lastly this book will provide the believer with the information needed to examine oneself and answer the question What gift do I have This is done by describing the effect the gift has on a believer s character and behavior while operating in and out of the church
