Egyptian Sketches Jeremiah Lynch,2015-06-13 Excerpt from *Egyptian Sketches* These slight sketches were mostly written at Cairo during the autumn of 1889 and the first months of the present year While there I lived in daily companionship with Europeans who were intimately acquainted with Egypt and with the natives themselves Therefore I believe that I know the Nile country better than the average visitor to whom a single month is a long stay Yet I am not an Egyptologist and only desire to induce others to visit a land that I was loth to leave For them I have herein simply written the experience and observation of a man from the New World About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish
