Cafiero,2016-09-28 My novel Intrigue and Resolution includes all the elements of drama and suspense and will titillate the imagination of your readers Within the pages of my novel are dramatic events and the romantic episodes of two brothers on their journey through life all within the framework of murder adventure and the exploration of Alaska including the battle for the island of Attu the second most bloodiest battle in the Pacific Theater of Operation during World War II the politics of postwar America and debates on the most contentious issues of our time abortion global warming gay marriage and the right to vote I have published two novels and an autobiography Vengeance Electra and The Life and Times of Albert Capo [Cincinnati Magazine](#) ,2004-10 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region **Ski** ,1976 [Skiing](#) ,1972-10 *Ski* ,1994-09 **The Life and Times of Albert Capo** Alfred V. Cafiero,2014-06-20 The Life and Times of Albert Capo reveals the social economic and cultural atmosphere that existed during the latter two thirds of the twentieth century the immigrant population that lived through the Great Depression of the 1930s faced many challenges the least of which was learning a new language as they slowly integrated themselves into American society Most boys Albert s age did not encounter the peculiar situations or problems that confronted Albert the streets of New York were Albert s playground during his formative years as it was for most boys living in ethnic enclaves throughout the city Living through the Depression and prewar years gave Albert a unique perspective on the rapid change in American society the American landscape looked quite different prior to the nineteenth century there were no electric illumination of homes no telephones radios TVs automobiles or central heating of homes the importance of the twentieth century cannot be overestimated the folks who lived through the twentieth century witnessed more technological advancements inventions and discoveries than the entire past history of mankind Along with scientific discoveries was the fight for civil rights for women as well as

minorities two world wars the development of nuclear energy and the atomic bomb the Korean and Vietnam wars and the conquest of outer space by landing a man on the moon It would take many volumes to describe that which has advanced the cause of civilization during the past one hundred years and it would stagger the imagination to ponder the vicissitudes of technology for the next one hundred years and mdash if we don t destroy ourselves in the process     **Ski** ,1981-02
