who has devoted her life to rescuing and caring for special needs children not in some cold clinical institution but in her home and in her heart Chaya makes no bones about sharing the trials and tribulations the hardships and heartache of caring for and bringing up these special children and sometimes losing them But most of all Chaya's Angels shows us in a vivid personal language that speaks from the heart the joy of having a special needs child in our lives as part of our family Chaya lets us feel the pure love that these children radiate to those around them and helps us to understand that these children really are just that special And if this book does nothing more than persuade just one family to think twice about giving away their newborn special needs baby for that it was worth writing But Chaya's Angels is a very powerful moving book and I believe it will do much much more than that Self-improvement; a Study of Criticism for Teachers Sheldon Emmor Davis,1926
