Song of Songs F. Scott Spencer, 2017-02-01 Arguably the biggest blockbuster love song ever composed the Song of Songs holds a unique place in Jewish and Christian canons as the holiest book in the minds of some readers and the sexiest in its language and imagery This commentary aims to interpret this vibrant Song in a contemporary feminist key informed by close linguistic literary and social cultural analysis Though finding much in the Song to celebrate for women and men in their embodied passionate lives this work also exposes tensions vulnerabilities and inequities between the sexes and among society at large just what we would expect of a perceptive poignant love ballad that still tops the charts

Song of Songs Franklin Scott Spencer, 2017 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format will aid

readers in their advancement toward God's vision of dignity equality and justice for all Book jacket      *Songs of Songs* Tremper Longman,2001-09-24 In this commentary Longman unpacks what this ancient love poem reveals about the male female relationship and about God's love for His people Beginning with an extensive introduction to the book and its background the author discusses Song of Songs authorship date literary style language structure and theological content

*Hit Songs, 1900-1955* Don Tyler,2007-04-16 This is a chronology of the most famous songs from the years before rock n roll The top hits for each year are described including vital information such as song origin artist's and chart information For many songs the author includes any web or library holdings of sheet music covers musical scores and free audio files An extensive collection of biographical sketches follows providing performing credits relevant professional awards and brief biographies for hundreds of the era's most popular performers lyricists and composers Includes an alphabetical song index and bibliography

**13 Extrapolations from Fugazi's 13 Songs** Duncan Dobson,2012-09-02 A song by song commentary on the lyrics of 13 Songs the first album by the post punk band Fugazi      *Song of Songs: An Introduction and Study Guide* J. Cheryl Exum,2022-07-14 The Song of Songs also known as the Song of Solomon is an unusual book to find in the Bible As the Bible's only love poem the Song offers a unique picture of relations between the sexes in biblical times Unlike other biblical books it consists entirely of dialogue It looks at love from both a woman's and a man's point of view and shows the reader what love is like exclusively through what lovers say about it There are few issues in Song of Songs interpretation that are not open to debate which makes it a fascinating book to study In this Guide Cheryl Exum provides a concise survey of the principal questions encountered in Song of Songs scholarship She also takes the discussion beyond the traditional research questions to introduce readers to new and ongoing areas in Song of Songs research Bibliographies and suggestions for further reading at the end of each chapter provide additional resources for readers interested in pursuing specific topics and exploring new directions in the study of the Song of Songs

**Song of Songs** Tremper Longman,2001-09-24 Relationships are a wonderful mysterious often elusive sometimes painful part of the human experience The most intimate of all human relationships according to the Bible is that between a husband and a wife It is no surprise therefore that there is a book of the Bible the Song of Songs that focuses on this relationship What is surprising is how little attention is given to the Song of Songs by scholars by the church and by readers of the Bible With this volume Tremper Longman III unpacks for modern people what this ancient love poem says about the male female relationship and by analogy about God's love for his people Longman's superb study begins with a thorough introduction to the Song of Songs and its background Longman discusses the book's title authorship date literary style language structure cultural milieu and theological content He also canvasses the long history of interpretation of the Song of Songs a history too often characterized by repression of the text In the commentary itself Longman structures the Song of Songs according to its twenty three poetic units and explains its message verse by verse The exposition is made clearer by Longman's adoption of an anthropological approach to the text and by his

frequent comparisons of the Song of Songs with other ancient Near Eastern literature Learned yet highly accessible innovative yet fully informed by past scholarship this commentary shows the beautiful Song of Songs to be a timeless celebration of human love and sexuality *The Traditional Tunes of the Child Ballads, Volume 4* Bertrand Harris Bronson,2015-03-08 With this volume incorporating Ballads 244 305 Bertrand Harris Bronson completes his epic task of providing the musical counterpart to Francis James Child s collection of English and Scottish ballads As in the previous volumes the texts are linked with their proper traditional tunes systematically ordered and grouped to show melodic kinship and characteristic variations developed during the course of oral transmission Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Music Composition in Contexts of Early Childhood* Aleksandra Acker,Berenice Nyland,Jan Deans,Kylie Payman,Suzana Klarin,2022-01-03 This book explores the narratives of a group of four year old children in a composition project in an Australian early learning centre The participants centre staff and a composer Stephen Leek contributed a number of music sessions for the children including five original songs The book showcases young children s communicative ability and sensitivity to wider issues The staff in the centre have a strongly voiced philosophy that is enacted through arts based pedagogy and incorporates significant themes including a respect for Aboriginal culture and custodial responsibility towards a sustainable future for the earth Examples of adult and children s ideas are illustrated through music making singing dancing words drawings and paintings which provide insights into a world where children are viewed as active citizens and the arts have rights The book describes the context of the centre the history of projects and details one project as an example of lifeworthy learning *Inseparable, the Memoirs of an American and the Story of Chinese Punk Rock* David O'Dell,2014-05-12 David O Dell was one of the earliest supporters of the Chinese punk rock scene that started taking shape in 1995 in Beijing The book is a rich and uniquely personal collection of stories over one hundred previously unreleased photos and translated song lyrics from the earliest Chinese punk bands and the dizzying development of the scene it is unlike anything you have ever read or ever will read about China **The Words and Music of Melissa Etheridge** James E. Perone,2014-03-17 For a quarter century Melissa Etheridge has been one of the most iconic and prolific female rock musicians This book critically examines this songwriter s portrayal of universal human emotions and experiences against the context of her life Songwriter Pop star Gay activist Cancer survivor Advocate for cancer victims Human being Melissa Etheridge is all of these things and all of these elements of who she is have played an instrumental role in her music from the beginning of her career to the present day The Words and Music of Melissa Etheridge examines Melissa Etheridge s

contributions to pop music in the tradition of other greats such as Janis Joplin Bruce Springsteen and Rod Stewart Written by a music scholar and Etheridge fan this book investigates her work chronologically by time period underscoring her growth as a songwriter and musician and demonstrating how her music reflected the events in her life both positive and negative Author James E Perone spotlights how Etheridge s songs defy traditional gender roles and stereotypes and appeal to general audiences with their universal themes yet serve those in the lesbian community because of the specific applicability of her words to the members of this minority group The book supplies expert critical and easy to understand analysis of all of the songs of Melissa Etheridge s studio albums from the 1980s through to her autobiographical and reflective album 4th Street Feeling released in 2012 The red, white & blue monster song book, ed. by J.
