biography of the woman behind the famed wax museums and their origins in the era of the French Revolution Midwest Book Review Madame Marie Tussaud is known worldwide for the chain of wax museums she started over two hundred years ago Less known is that her original wax models were often of the famous and infamous people she personally knew during and after the French Revolution These were people like Voltaire Robespierre and Napoleon people who changed the world Even more the wax figures were depicted in scenes drawn from the horrors she experienced during the reign of terror in Paris during her early adult years This book shows how the traumatic and cataclysmic experiences of Madame Tussaud's early life became part of her legacy She created a succession of scenes in wax telling events as she personally experienced them Her wax sculptures were visceral She made them herself at times from the living person s head and at other times from the recently guillotined head of a former housequest As a result people were drawn to her wax displays because they were the most intense way of experiencing those events themselves This is the story not only of a unique artist but of how one of history s bloodiest events influenced her life and work **On Perfection** Jo Longhurst, 2013-01-01 Based on a 2012 symposium on Perfection held at the Whitechapel Gallery in East London this book explores the ways in which artists engage with ideas of perfection drawing on screenings performances and discussions. The symposium featured the work of an eclectic group of artists and writers who use photographic lenses of many kinds to create works that engage with or disrupt ideas of perfection Framed from an artist s perspective and spanning a diverse range of artworks that question how these ideas shape our personal identities and our social and political systems On Perfection considers the multifaceted nature of lens based practices Fetishes, Florentine Girdles, and Other Explorations Into the Sexual Imagination Harriett Gilbert, 1994 International in outlook thoroughly broad minded and wide ranging in approach Fetishes Florentine Girdles and Other Explorations into the Sexual Imagination is a provocative and idiosyncratic feminist's companion to the major religious scientific political and philosophical theories about sexuality as well as to the artists who have attempted to understand and represent the subject The 250 alphabetically arranged entries range historically from the ancient world to the end to the twentieth century and geographically form China to Australia from Japan to the United States through India Africa South America the Caribbean and Europe The entries by feminist writers of diverse views combine information with informed opinion and build up to a passionate and high spirited debate about sex and sexuality City Wilds Terrell Dixon, 2002 The assumptions we make about nature writing too often lead us to see it only as a literature about wilderness or rural areas This anthology broadens our awareness of American nature writing by featuring the flora fauna geology and climate that enrich and shape urban life Set in neither pristine nor exotic environs these stories and essays take us to rivers parks vacant lots lakes gardens and zoos as they convey nature s rich disregard of city limits signs With writings by women and men from cities in all regions of the country and from different ethnic traditions the anthology reflects the geographic differences and multicultural makeup of our cities Works by well known and emerging contemporary writers are included as well as pieces
