Richard Rapport and even World Champion Magnus Carlsen have played The London System In this light it is surprising that so little has been published about this fascinating universal weapon GM Alfonso Romero and FM Oscar de Prado have now filled this gap In The Agile London System they present both historical material and recent top level examples to provide a comprehensive overview The authors explain the typical plans and tactics using illustrative games with clear verbal explanations and provide lots of tactical and strategic exercises They reveal the secrets behind sharp ideas such as the Barry Attack and the Jobava Attack and have added an exciting chapter on the especially aggressive Pereyra Attack developed by the Argentinean master Manuel Pereyra Puebla

Tony Miles: It's Only Me Mike

Fox,2014-11-12 The charismatic Tony Miles has been much missed since his tragic and premature death in 2001. Regarded as one of England's greatest ever chess players and analysts, he was also one of the wittiest writers on the game. By sheer force of example and ebullient personality, he inspired the English chess explosion after becoming the first UK grandmaster in the mid 70s. This fascinating collection of over a hundred games and articles covering Tony's entire chess career includes his most celebrated wins, a few losses, and in addition to the famous game against Karpov with the bizarre St George's opening 1 e4 a6, a less well-known victory over the then world champion from a television tournament. All the games are annotated by Tony himself in his own inimitable style. This fitting tribute is rounded off with a review of Tony's original opening repertoire as well as personal appreciations by his Birmingham clubmates and friends Mike Fox, Malcolm Hunt, and Geoff Lawton.
