Who Abolished Slavery? João Pedro Marques, Seymour Drescher, Pieter C. Emmer, 2010-02 The past half century has produced a mass of information regarding slave resistance ranging from individual acts of disobedience to massive uprisings Many of these acts of rebellion have been studied extensively yet the ultimate goal of the insurgents remain open for discussion Recently several historians have suggested that slaves achieved their own freedom by resisting slavery which counters the predominant argument that abolitionist pressure groups parliamentarians and the governmental and anti governmental armies of the various slaveholding empires were the prime movers behind emancipation Marques one of the leading historians of slavery and abolition argues that in most cases it is impossible to establish a direct relation between slaves uprisings and the emancipation laws that would be approved in the western countries Following this presentation his arguments are taken up by a dozen of the most outstanding historians in this field In a concluding chapter Marques responds briefly to their comments and evaluates the degree to which they challenge or enhance his view Book Jacket
