Whittier Boys and Girls Magazine ,1905 **No Surprises Living in Devizes** Darren Worrow,2017-02-25 I don't know what came over me as I checked Facebook before my mid morning nap. Saw this news post from a site I'd not heard of before. Index Wiltshire. I quickly despatched a message to them without any real thought as to the implications of my actions. That moment of lunacy is why we are here today with this book. All I can do is apologise. Forward wind a year and No Surprises Living in Devizes has become a bit of a thing. The best description I can come up with. Every Sunday a new episode goes live like the unleashing of a crazed dragon on steroids. I face a plethora of responses and feedback. Some are nice. There's brute honesty in the causerie. Journalism doesn't usually convey in this day and age. It also brings a straightforward view on life in our traditional market town with wonky edges.

Katchina Kesri Maraj,2015-06-26 Benkipp Tai me is a Native Indian American Archeologist. This academic season he takes six of his best students on a field trip to Alaska, the mysterious frozen north. On an unforgettable journey that will change their lives forever. The mysterious past of the ancient and cursed Katchina box comes to life. Will it protect two of its most precious ancestral guardians or will it unleash a nightmare on the world? Devastation follows the box and its custodians as dark forces from the distant past are confronted. Will two Native American men, one young and the other middle aged, be able to form the team that could save themselves and perhaps the world from this ancient threat? This book is a must for all those that enjoy a good mystery, travel, exploration and adventure with dollops of suspense, a healthy dose of horror and magic. Readers will be biting their nails at the twist and turns of the story as their battle of good against evil takes something from every character as they struggle to overcome dark forces. This book will keep you wanting more. Next time.

the vast land unknown k. hanson,2020-07-20 In the early 1900s major change had little effect in the outer fringes of civilization. Survival of the fittest still rules and a boy of sixteen is now a man. Such a man retreats into the wilderness in hopes of finding answers to his future. He experiences the life in a harsh land where trust is earned and each day presents its own set of hardships. There are no winners or losers here but for this Christian man he flaunts his faith without falter. He's been hurt and like a wounded animal, not one to be trifled with. Skeptical of everyone he carries a kind heart, a pair of Colt 45s and a sled dog team, keen and rugged, he built for himself.
