American short fiction from the colonial period to present Stories Subversive Nellie McClung, 1997-10-17 First wave feminist activist and social reformer Nellie McClung ranked as one of the most popular Canadian authors and among the liveliest critics of Canada's male dominated society Well ahead of her time McClung was known as a writer who dared to discuss taboo topics and for her inimitable humour which rivals that of Stephen Leacock This selection of her best short fiction includes depictions of difficult rural living conditions in Western Canada as well as consciousness raising stories reflecting the undue restrictions on women and the anti female laws and attitudes of her day **Fast Forward and Other Stories** Delia De Santis, 2024-08-05 Fast Forward and Other Stories is an extraordinary collection of deftly crafted prose and subtle dialogue by Canadian short story writer and literary anthologist Delia De Santis In this suite of short fiction we have the over arching theme of emotional hunger and longing Love's redemption and the attendant hunger evoked by a love unrequited is the theme of the story Talk about Roses a brief tale of Vincent a working class anti hero betrayed by his fiancé who is carrying another man's child but for whom he still has a great deal of affection Baffled by love's betrayal and overwhelmed by the brutal fact that just being nice and good will get you nowhere least all near his heart's desire he comes to this sad resigned epiphany What can one do in life Sometimes it's like that Just out of your grasp try to harness life try to steer it down a rosy path Try to shape it into a form It just goddamn goes all over the place hurting you as it drags slowly on top of you like a bulldozer It is in the mastery with which De Santis evokes suggests and hints that the characters in her work acquire life and dimension **Virtues in African Stories** Kwame Afadzi Insaadoo, 2021-04-06 These thrilling whimsically and action packed anthology of adventurous stories bring to life some vital aspects of traditional African culture These wonderful African traditional stories offer a rare glimpse into a portion of African traditional culture not often openly discussed outside many remote villages they originate from As you peer through these pages be prepared to be thrilled and amazed as some aspects of ancient African culture are brought to life through amazing story telling Most of the stories are used to reinforce the traditional virtues in these tribal societies Some of the stories illustrate and exemplify what happens to youngsters when they choose to follow the century old African tradition and culture and when another youngster deviates from the traditional African values of respecting and honoring their elders And yes some of the stories are told to young girls in rural areas as cautionary tales to keep them from marrying total strangers outside their respective tribes Most of the stories and folktales here are fictionalized and many characters borrowed from various cultures to entertain the reading audience while imparting numerous traditional virtues and morals into the youngsters The ancient traditional African elders strongly believe in inculcating and ingraining these societal virtues into their youngsters because like the ancient Greek philosophers the African elders deeply concurred with Plato's enunciation that Now since men are by nature acquisitive jealous combative and erotic how shall we persuade them to behave themselves By the Policeman's omnipresent club It is a brutal method costly and irritating There is a better way and this is by lending to the moral requirements of the community
