property to Eleanor as her sole surviving relative The only condition was that Eleanor must take possession within thirty days of the letter's date or the inheritance would pass to a historical preservation society Eleanor stared at the accompanying photograph of the house a imposing three story structure with ornate gingerbread trim and tall windows that seemed to watch her from the glossy surface Something about those windows made her shiver though she attributed it to the morning chill seeping through her apartment's single pane glass      Ghosts of Petra Clifford D.
