An Insider's Guide to the Mining Sector Michael Coulson,2008-08-26 In 2003 four mining shares rose over four times in price with one gaining ten times In just the first two months of 2004 26 mining shares increased more than 20% with five shares doubling Merrill Lynch s World Mining Trust is the UK s best performing fund over the past three years having risen by over 200 per cent But is the mining boom about to end Not according to this book by Michael Coulson Chairman of the Association of Mining Analysts Coulson argues that if anything we are still in the early stages of prolonged strength in mining stocks and despite what some commentators are saying the boom is far from over FROM THE BACK COVERThe prospect of instant riches gives the mining sector an obvious glamour And when the mining sector begins to run it can be an awesome sight and the excitement generated can be every bit as seductive and heady as that which enveloped markets during the internet boom But due to the counter cyclical nature of many mining stocks they can also offer a valuable refuge when stock markets turn down In this book Michael Coulson gives a masterly overview of the sector explains both the rewards and the pitfalls of investing in mining shares and argues convincingly that mining should once again form a core sector for all investors The book is for anyone interested in mining and particularly mining as an investment Whilst it contains material which will be useful to even experienced followers of the sector its main target is those who are interested in mining but perhaps not particularly familiar with the sector and would like to know more All the subjects are covered that are fundamental to acquiring sufficient knowledge about the miningsector to invest in it with confidence While the mining s

JPMorgan 2008 , Careers in Information Technology WetFeet (Firm),2009 *A Practical Guide to Financial Services* Lien Luu,Jonquil Lowe,Patrick Ring,Amandeep Sahota,2021-12-26 Financial services are an ever increasing part of the infrastructure of everyday life From banking to credit insurance to investment and mortgages to advice we all consume

financial services and many millions globally work in the sector Moreover the way we consume them is changing with the growing dominance of fintech and Big Data Yet the part of financial services that we engage with as consumers is just the tip of a vast network of markets institutions and regulators and fraudsters too Many books about financial services are designed to serve corporate finance education focusing on capital structures maximising shareholder value regulatory compliance and other business oriented topics A Practical Guide to Financial Services Knowledge Opportunities and Inclusion is different it swings the perspective towards the end user the customer the essential but often overlooked participant without whom retail financial services markets would not exist While still introducing all the key areas of financial services it explores how the sector serves or sometimes fails to serve consumers why consumers need protection in some areas and what form that protection takes and how consumers can best navigate the risks and uncertainties that are inherent in financial products and services For consumers a greater understanding of how the financial system works is a prerequisite of ensuring that the system works for their benefit For students of financial services those aspiring to or those already working in the sector understanding the consumer perspective is an essential part of becoming an effective holistically informed and ethical member of the financial services community A Practical Guide to Financial Services Knowledge Opportunities and Inclusion will equip you for both these roles The editors and authors of A Practical Guide to Financial Services Knowledge Opportunities and Inclusion combine a wealth of financial services educational and consumer oriented practitioner experience
