## **Smile Crocodile:**

The Crocodile's Smile AQEEL AHMED, 2023-05-07 The Crocodile's Smile Summary of this story Charlie's story is a moving tale about the power of kindness and how important it is to take care of oneself. Charlie was different from all the other crocodiles in the bush because he always had a smile on his face. He liked helping people and making people happy wherever he went. He became known as the nicest and happiest crocodile in the jungle. Charlie's smile and friendliness were so contagious that they made even the grumpiest creatures happy. They were amazed at how Charlie could make even the worst situations better. As Charlie and his friend the once angry crocodile went on their travels, they met many more animals that needed their help. They were known as the guardians of the bush and all the animals looked to them for advice and safety. Charlie found out one day that he had been putting other people's needs ahead of his own. He told his friend and then he took some time off and went on a trip by himself. He wanted to find out what made him happy again and smile again. As he went through the bush, he smiled again as he thought about the things that used to make him happy. Charlie kept helping other people and still had time for himself. He went on trips by himself exploring the bush and finding new things to love and appreciate. He stayed the happiest and nicest crocodile in the jungle and all the other animals loved and respected him. In the end, Charlie's actions changed the bush for good. He showed the animals how important it is to be kind and helpful to other people. And he had shown that even small acts of kindness can make a big difference in the world. When Charlie died, the animals in the woods knew that his memory would live on forever. They carried on his tradition of kindness and friendship by spreading happiness and love everywhere they went.

How the story started: Once upon a time, Charlie was a nice and happy crocodile who lived deep in the woods. Charlie was a very special crocodile who was different from all the others in the forest. He was known for his big smile, which he always wore no matter what was going on around him. Charlie was nice and kind, which was different from most alligators who were often thought to be mean and dangerous. Even if they weren't his friends, he was always ready to help any animal in need. Charlie was liked by the animals in the woods because he was always happy and kind. They knew that no matter what was going on, he could make them feel better. Everyone around him felt happy and at ease because of his smile. Charlie was a crocodile and even though he was friendly, he had to look for his food. He always had a smile on his face even when he was hunting. He never took more than he needed and he always left some for the other animals in the woods. Charlie's positive attitude made him popular with the animals in the woods and it also helped him do well at everything he tried. He was a great hunter who always found the best places to hide when he needed to rest. Charlie's fellow crocodiles in the bush made fun of him because he was nice and smiled. They said he was weak and not a real crocodile. But what they said didn't bother Charlie. He knew that being kind and helping was the right thing to do and he was proud of who he was. One sunny day, Charlie the crocodile was relaxing in the sun by the river when he heard a huge commotion. He turned his head and paid close attention. It sounded like scared animals running away and screaming. Charlie knew something

was wrong and got up to find out what it was He moved quickly through the thick jungle plants to get to where the noise was coming from As he got closer the sounds got louder and faster Charlie could tell something big was going on because he could hear fear in the animals sounds As Charlie finally came out of the bush he saw a huge dangerous crocodile with sharp teeth and an angry face The other animals tried to run away but they were so scared they couldn't move Charlie saw that he had to move quickly He swam up to the angry reptile and said Hey why are you scaring everyone What's wrong The angry reptile said I'm mad because I'm hungry and there's nothing to eat around here Oh that's no problem Charlie said There's plenty of food in the jungle and I'll show you where to find it The angry reptile asked Why are you being so nice to me Aren't you afraid of me Charlie simply said No I'm not afraid of you I'm happy to help and I think it's always right to be kind to others He then led the angry crocodile through the bush and showed him all the different fruits berries and plants that he could eat The angry crocodile couldn't believe how much food was there and how easy it was to find By the end of the day the angry crocodile was full and happy He had never been happy or more thankful before Thank you Charlie You showed me that there is more to life than being angry and mean You taught me that being kind and helping others is the right way to live I'm glad I could help said Charlie That's what friends are for From that day on the angry crocodile was Charlie's friend and the two of them spent their days exploring the jungle and helping other people They had made an odd deal The two crocodiles were complete opposites but they both loved helping others and being friends The other animals in the bush were shocked by the change in the angry crocodile They couldn't believe that the animal which used to be scary had become a kind and loving crocodile The animals quickly got used to the new crocodile and soon Charlie and his friend were seen as the nicest and happiest crocodiles in the jungle
