The Smiling Country Sally Portman,1993 *The Smiling County* Sally Portman,2001-12-01 Northwest Forest Plan, the First 10 Years (1994-2003) ,2008 This report examines socioeconomic changes that occurred between 1990 and 2003 associated with implementation of the Northwest Forest Plan the Plan in and around lands managed by the Okanogan Wenatchee National Forest in Washington state Our findings are based on quantitative data from the U S census the USDA Forest Service and other federal databases historical documents and interviews with Forest Service employees and members of five case study communities Naches Valley Cashmere Entiat Twisp and the Upper Okanogan Valley We explore how the Plan affected the flow of socioeconomic benefits associated with the Okanogan Wenatchee National Forest such as the production of forest commodities and forest based recreation agency jobs procurement contract work for ecosystem management activities grants for community economic assistance payments to county governments and opportunities for collaborative forest management The greatest socioeconomic change stemming from the national forest during the study period was the sharp decline in timber harvest activities a change that had been underway prior to the Plan This decline not only affected timber industry jobs in local communities but also resulted in declining agency budgets and staff reductions Communities responses differed Communities with greater economic diversity were able to absorb the changes in forest management whereas communities more heavily dependent on timber experienced an additional destabilizing effect

General Technical Report PNW-GTR ,1987 **Ski Trails and Wildlife** Eric Burr,2008 Snow sports are usually the first step to learning about snow country wildlife which is only as safe as knowledgeable people want it to be Unfortunately knowledge is too often lacking and skiing is perceived as detrimental too wildlife Reality is that skiing in all its many forms from ski lift resorts to far flung Scandinavian style ski touring holds the keys to wildlife conservation and restoration No amount of litigation can change this basic fact of life although the Mineral King Case from the Supreme Court of the United States certainly changed the legal landscape for all environmental litigation Mineral King s near miss at becoming another ski lift avalanche disaster area preceded Early Winters another almost ski lift area which shares the honor of being a Supreme Court case and is the last chapter of this book Olympic National Park is the other ski history explored so that the National Parks are given equal emphasis with America s National Forests and Canada s Crown Lands An extensive bibliography also includes many electronically available sources The language is not technical and no prior experience with either skiing or wildlife is presumed The book is primarily written for both skiing and wildlife enthusiasts who may not know much about each other It is intended as a peace offering to hopefully prevent future ski wars and unnecessary trips through the legal system That effort could be better spent restoring wildlife and the life support system of our circumpolar boreal forest **Okanogan National Forest (N.F.), Wenatchee National Forest (N.F.), Methow Transmission Project** ,2006
