D. Gangrade, 2005 The Book Tries To Trace The Relationship Between Gandhian Approach To Development And Social Work It Addresses Issues Like Environment Bhoodan And Gramdan Community Development Peoples Participation Dalit Empowerment Etc *Professional Social Work in East Africa* Helmut Spitzer, M. Twikirize, 2014-10-28 Prevalent poverty and related problems in the East African region call for substantial action from various stakeholders including social workers This book based on comprehensive empirical research portrays an emerging yet powerful profession that has a significant role to play in the endeavour towards social development social justice human rights and gender equality The book is the first of its kind to provide first hand theoretical and empirical evidence about social work in East Africa **Indigenous Development in the Andes** Robert Andolina, Nina Laurie, Sarah A. Radcliffe, 2009-12-23 Analyzes the transnational relations of indigenous politics after their shift to the global level and explores how the contest between neo liberal economics and anti free market politics generates new forms of development and culture *The Process of Social Value Creation* Archana Singh, 2016-05-03 This book discusses social entrepreneurship especially in context of India It focuses on understanding the whole process of social value creation i e social entrepreneurship opportunity identification resource mobilisation social value capabilities of social entrepreneurs and innovation in three different types of social enterprises i non profit or charitable ones ii non profit social enterprise sustainable with the combined income of grants subsidies and own earned income self sustainable not for profit social enterprise and hybrid social enterprise and iii for profit social enterprises Sample cases of social entrepreneurs Ashoka Fellows were selected from three inter linked sectors health education and livelihood To provide a comprehensive view interviews were taken not only from the founders social entrepreneurs management personnel and other employees but also from the beneficiaries The book comprises how on the basis of cross comparison between three types of social enterprises

several propositions and finally theoretical framework on social entrepreneurship have been developed It proposes that social entrepreneurship can be acquired and that these social entrepreneurs can help solve the larger social problems faced both by developing and developed nations

Developmental Social Work Julian Chow, Pei-shan Yang, Eden Social Welfare Foundation, 2021-02-26 Developmental social work emphasizes interdisciplinary collaborations and believes it can accurately respond to the issues and the needs of our society Therefore more and more non profit organizations are involved in this field In Taiwan the recent social issues such as the poverty of young adults and the Long term Care all indicate a need for fresh thoughts and working methods Responding to this need social innovation has been seen as a way of developmental social work practice Since 2015 Eden Social Welfare Foundation has collaborated with the Department of Social Work of National Taiwan University to hold three international conferences regarding developmental social work We published two conference proceedings Developmental Social Work Theory and Practice and Developmental Social Work Advancing Policy and Practice This book focuses on the theme of social innovation and contains various innovative ongoing cases of developmental social work It also compiles lecture and forum notes to share the concepts practices and dialogues of developmental social work helping readers develop a broader and deeper innovative thinking

Social Enterprise Values and Processes Edakkandi Meethal Reji, Satyajit Majumdar, 2024-08-07 This edited volume is an interdisciplinary approach towards examining and integrating diverse theories methodologies and practices of social entrepreneurship It highlights how social enterprises with their focus on resolving societal problems and driving social change are critical for inclusive economic growth The book is organized in three parts values sustainability and social enterprise models context innovation and technology and perspectives and directions of future research in social entrepreneurship The chapters contribute towards a better understanding of organizational and process dimensions of social and economic value creation a relatively under researched area in social entrepreneurship They capture an extensive range of insights analysis and case studies bringing together context specific dimensions and variables supportive of social enterprise creation and the development processes in social value creation The book is useful for a wide range of audiences including social entrepreneurs researchers policy makers development professionals graduate and post graduate students seeking a deeper understanding of this evolving field It also emphasizes practical guidance for individuals and organizations involved in social enterprise It offers actionable insights best practices and real world examples enabling readers to apply the knowledge gained to their own contexts and effectively navigate the challenges and opportunities encountered in the field

INCLUSIVE DEVELOPMENT AND GOOD GOVERNANCE Dr. Manas Behera, 2021-12-13 Inclusive Development and Good governance have already occupied the centre stage of Policy discourses today The present book studies the functioning of the Panchayati Raj System in the context of good governance and inclusive development The empirical research that the book undertakes neither romanticises nor rejects the PRIs It analyses the power equations struggles and various forms of marginalisation and deprivation in the

rural areas The economically exploited and the socially deprived have a stake in the democratic space created by the PRIs The silent revolution brought about by the PRIs challenges the unequal power structure and relations in many ways The project of Inclusive Development and of Good Governance is simply not possible without meaningful and effective participation of the marginalised in the democratic process through the PRIs The Ruling class and their allies in rural areas are active in preventing the marginalised from occupying the democratic spaces in real terms The study of this dynamics of rural areas is crucial to developing policies in favour of the marginalised The Neo liberal paradigm of development with its centralising character defeats inclusive development through democratic decentralisation What this book sets out to advocate is deepening of democracy in rural areas *Social Development in Rural India* S. K. Pant, Janak Pandey, 2004
