Social Deviance:

Social Deviance Tim Delaney, 2017-06-16 The topic of social deviance is inherently intriguing People in general and college students in particular find the topic of deviant behavior fascinating This can be explained at least in part by a combination of the subject matter itself our own past deviant behaviors and our willingness and desire to evaluate and comment on the behaviors of others While the topic of deviant behavior seems straightforward at the surface the study of social deviance reveals how complicated it really is Although Social Deviance utilizes a textbook style approach in its coverage of deviant behavior this comprehensive straightforward and student friendly book maintains student interest because of the author's use of real life phenomena and current examples Each chapter includes chapter objectives an introductory story a glossary of key terms discussion questions and boxed material The boxed materials include A Closer Look box that zooms in on topics that warrant deeper explanation and a Connecting Social Deviance and Popular Culture box that shows how contemporary forms of popular culture illustrate deviant behavior

Contexts of Deviance J. William Spencer, 2014-09-12 While most readers focus more on deviance than sociology Contexts of Deviance Statuses Institutions and Interactions brings sociology front and center by examining deviance and social control in their social contexts This fresh and innovative anthology shows students how deviance and control can be studied at different levels of analysis and from a range of theoretical approaches using different methodologies The collection is divided into six parts theory social control statuses and identities institutions subcultures and social movements The readings range from classic to contemporary pieces from macro level studies to studies of face to face encounters Contexts of Deviance also represents a wide range of theoretical traditions from functionalist and critical to post modern and interactionist Introductions in each section help students to understand what it means to study deviance and control in a social context to appreciate research questions at different levels of analysis and to recognize how a positivist orientation is different from a subjectivist orientation An instructor's manual and test bank prepared by Thomas N Ratliff Arkansas State University Jessica Middleton University of California at Irvine and Ashley Swan Arkansas State University are available for qualified instructors

Encyclopedia of Social Deviance Craig J. Forsyth, Heith Copes, 2014-01-21 Social deviance does not involve just criminal behavior it's any behavior that violates a cultural norm and that can involve something as minor as consistently and deliberately wearing lively mismatched socks Moreover whether a crime a sin or simply unique taste what's considered deviant at one time and place can change as when extensive tattooing and body art evolved from a sideshow carnival spectacle to a nearly universal rite of passage within U S culture Drawing contributions from across the social and behavioral sciences including sociology anthropology criminology politics psychology and religion the Encyclopedia of Social Deviance introduces students to this lively field of rule making and rebellion that strikes at the core of what it means to be an individual living in a social world
