## **Social Work Ageing And Society:**

*Social Work, Ageing and Society* C Paul Brearley, 2023-03-31 First published in 1975 *Social Work Ageing and Society* provides a basic understanding of the needs of older people in society It deals with the role of the old person in society and attitudes to old age as well as the physical emotional and social needs of the ageing individual It shows that material resources and social work skills can make a great deal of difference to the quality of life and health of elderly citizens and is concerned therefore not only with the process of ageing but also with the validity of techniques of social intervention against a background of limited practical resources for the elderly This book will be of interest to social work students and to members of other caring professions

*Social Work, Ageing and Society* C. Paul Brearley, 2022 First published in 1975 *Social Work Ageing and Society* provides a basic understanding of the needs of older people in society It deals with the role of the old person in society and attitudes to old age as well as the physical emotional and social needs of the ageing individual It shows that material resources and social work skills can make a great deal of difference to the quality of life and health of elderly citizens and is concerned therefore not only with the process of ageing but also with the validity of techniques of social intervention against a background of limited practical resources for the elderly This book will be of interest to social work students and to members of other caring professions

*Social Work With Older People: Approaches To Person-Centred Practice* Hall, Barbara, Scragg, Terry, 2012-03-01 This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research

**Social Work with Older People** Karin Crawford, Janet Walker, 2008-08-08 This second edition looks in detail at the role of the social worker who engages with older people It enables the reader to develop the key skills required to understand the mental and physical needs of older people in society while encouraging plenty of discussion and critical independent thought Furthermore this book is a source of contemporary research and offers the reader insights into government legislation and policy It is an essential read for any student who wants to develop a distinctive focus on social work with older people

*Social Work with Older People* Ann McDonald, 2010-03-08 *Social Work with Older People* provides an authoritative and practical guide to working with older people in a range of settings It addresses the complexities of individual work with older people as well as work with families groups and the wider community and is not afraid to tackle the challenges as well as opportunities of practice in this area The book begins by explaining the demographic changes that have led to a greying of the general population It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those who wish to work proactively with them Clear attention is paid to the processes of assessment care planning and review with readers encouraged to reflect on developing good practice through case studies and exercises Although it has a strong practical emphasis the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book Clear links are also made

to policy guidelines and organizational standards without losing sight of the deeper often more complex issues that arise when working with older people *Social Work with Older People* will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service users *Social Work, Social Policy and Older People* Robert Johns, 2011-01-04 It is essential for social work students to know about social policy to know why studying social policy is important in the social work degree and to understand how social policy when implemented has a real impact on the everyday life of vulnerable people This book provides plenty of examples of this impact tracing the development of welfare provision for older people right through the twentieth century leading up to an analysis of contemporary developments which students will need to know about in order to practice effectively

*Social Work and Health Care in an Aging Society* Barbara Berkman, 2003-06 Sixteen chapters by scholars of social work relate the well being of older adults to social work practice and the current model of service delivery Chapters concentrate on issues affecting the health of older adults depression dementia abuse services to specific populations African American women grandparents raising grandchildren the developmentally disabled and professional issues home care case management standardized assessment The implications for training research and policy are highlighted Annotation c 2003 Book News Inc Portland OR booknews com

**Ageing and the Care of Older People in Europe** Richard Hugman, 1994-08-23 As the population of all European countries ages rapidly understanding the phenomenon of ageing and social responses to old age has become a vital contemporary issue The diverse ways in which old age is seen across Europe are compared and different forms of care for the needs of older people are examined With the demise of large institutions and increasing demands on families and on domiciliary care the question of inter generational relations is seen as a key element in the future of old age It is argued that much is to be learned from cross national comparisons in developing social responses to old age **Social Work Practice with Older People** Rory Lynch, 2013-11-13 Older people are the biggest service user group for social workers and an increasing proportion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for well being and a fulfilling older age

Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is essential reading for all student social workers especially as they prepare to go on their practice placement It is also valuable reading for qualified social workers Rory Lynch is Lecturer in Social Work at Robert Gordon University *Social Work with Adults* Martin Brett Davies, 2012-03-20 This best selling book explores the crucial role of social workers in securing a better future for vulnerable and disadvantaged

adult service users Tackling the problems most common to this branch of social work it focuses on four major themes personalization mental health substance use and old age Edited by the highly respected Martin Davies and with contributions from some of the leading names in the field Social Work with Adults provides a clear map and guidance to help navigate between the different elements of social work knowledge and practice Whether a student on an undergraduate degree taking a module on working with adults or a qualified professional wanting to ensure they are providing the very best service they can this is essential reading The breadth and depth of coverage makes this text a perfect handbook for students of adult social work

migrants and minority ethnic groups substance misuse probation services and work with older people and people with a disability This book is an essential read for students of social work and social care in Ireland and will also be of great interest to qualified practitioners in both the social work field and other social care professions

### **Social Policy in an Ageing**

**Society** D. Reisman, 2009-01-01 Around half the world's population live in countries where the fertility rate is far below the replacement rate and where life expectancy is increasing dramatically Using Singapore as a case study *Social Policy in an Ageing Society* explores what might happen in a dynamic and prosperous society when falling births longer life expectancy and rising expectations put disproportionate pressure on scarce resources that have alternative uses David Reisman investigates the challenges facing Singapore where a rapidly rising median age and the growing pressure of the elderly upon medical attention are threatening to disrupt the economic and even the political status quo The dependency of the old upon the young is becoming a financial and an emotional burden Health care is swelling in quantity and price Voluntary and compulsory savings are being used up New demands for pensions and subsidies are challenging the national ideology of family network and self reliance Despite a wealth of prospective problems the author argues that viable solutions can be found Discretionary savings can increase Reverse mortgages can monetise owner occupied property A higher participation rate can give the elderly the opportunity to earn a living for themselves This book concludes that public policy must play its part in facilitating these solutions It must ensure that the old retain their dignity The old should not lie where they fall This comprehensive intelligible and highly original cross disciplinary study will appeal to a wide ranging audience Readers will include academics researchers and students with an interest in health economics the economics of development social policy and administration public policy and the socio economic aspects of medicine
