farmers tribal Naxalite and Maoist Dalit working class women ethnic and environmental movements This book also analyses the role of information technology media and civil society in the spread and continuation of such movements The experiences of queer new religious anti systemic and anti displacement movements would also help readers understand how globalisation has offered new avenues of protest to diverse sections of the population Lessons of anti globalisation movements across the world provide a futuristic perspective in assessing the strength of social movements in a global society This book will be useful to the students researchers and faculty working in the field of political science sociology gender studies and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in South Asian studies *Sociological Bulletin* Indian Sociological Society,2004 Stone Quarry Workers Robin D. Tribhuwan,Jayshree Patil,2009 Study conducted at Moshi and Yewalewadi villages of Haveli Block of Pune District in Maharashtra India *Identities in South Asia* Vivek Sachdeva,Queeny Pradhan,Anu Venugopalan,2019-04-09 This book examines how identities are formed and expressed in political social and cultural contexts across South Asia It is a comprehensive intervention on how why and what identities have come to be and takes a closer look at the complexities of their interactions Drawing on an interdisciplinary approach combining methodologies from history literary studies politics and sociology this book Explores the multiple ways in which personal and collective identities manifest and engage are challenged and resisted across time and space Highlights how the shared history of colonialism and partition communal violence bloodshed and pogrom are instrumental in understanding present day developments in identity politics Sheds light on a number of current themes such as borders and nations race and ethnicity identity politics and fundamentalism language and regionalism memory and community and resistance and assertion A key volume in South Asian Studies this book will be of great interest to scholars and researchers of modern South Asian history politics sociology literary studies and social exclusion **Unpacking Globalization** Linda E. Lucas,2007-08-02 Unpacking Globalization examines the experiences of people living with the forces that are transforming economic systems culture gender relationships and governance The book offers interdisciplinary analysis of the well being of women and men as they cope with the changes of globalization Through theory case studies and data several themes emerge indicating that from the household to the continental level change is leading to new awareness and new survival strategies for both women and men The contributors to the volume come from Africa Asia Europe and North and South America They present analysis of global changes and historical background from diverse perspectives and offer case studies on social security gender and macroeconomy They employ feminist theory as well as detail the experiences of current and future women entrepreneurs An exciting interdisciplinary text Unpacking Globalization can supplement women s studies anthropology sociology and economic development courses Women Workers in Brick Factory Amal Mandal,2005 The brick factory work is seasonal and the employment is contractual utterly insecure and wage is piece rated Though women workers comprise about one half of the total workforce in every factory they

hail from the families that survive by working as labourer in every conceivable sense they are from lower caste and class illiterate and they are mostly wives of male factory workers While husbands of those women are not necessarily confined to unskilled factory works women really are Women are in plethora those works which are unskilled in nature and where wage earning is comparatively low Workers after hard day s toil receive wage that is barest minimum for subsistence This is why workers are compelled to work along with other family members and as long in a day as they can Women workers and others are deprived of all statutory benefits and amenities like maternity benefits creche fixed working hour etc Even basic minimum welfare provisions like rest shed drinking water and toilet are conspicuously absent in brick factories Though owners are amassing whooping profit they have persistently ignored and evaded the welfare provisions for the workers that are applicable to the factory Given the nature of skill attainment of the workers the employment opportunity available in the unorganised sector and insipid role of trade union there seems no immediate escaping from the bondage and tethering of back bending work subsistence wage insecure job and debasing working conditions

Encountering The Adivasi Question

P. Bandhu,T.G. Jacob,2019-08-01 The main problem facing most Adivasi groups in the country is displacement and loss of their own original habitats and livelihood through development projects like dams tourism and wildlife sanctuaries By generally categorising them as girijan mountain dwellers vanavasis forest dwellers or tribal with its connotations of primitive and backward or even the popular jangli wild in official parlance and in the mass media they are robbed of their identity dignity and rights as among the first peoples of this subcontinent who earlier enjoyed economic and political freedom and autonomy in the form of self rule All over India the process of uprooting indigenous people from their rich culture is on the disruption of a way of life fundamental to which is the belief that it is not the earth which belongs to man but man who belongs to the earth
