*Social Entrepreneurship* Johanna Mair, 2006-04-27 Social Entrepreneurship is a global phenomenon that impacts the lives of citizens by using innovative approaches to solving social problems This book offers a comprehensive examination of this growing area of research and provides an excellent introduction to social entrepreneurship theory and a framework for future research

**The New Social Entrepreneurship** Francesco Perrini, 2006-01-01 This book aims to define a novel conception of what social entrepreneurship SE actually is and what it is not starting from a sharp and focused vision of SE it entails innovations designed to explicitly improve societal well being housed within entrepreneurial organizations which initiate change in society In so doing it provides a critical and comprehensive framework for current and future research in the area Francesco Perrini adopts a novel approach to the SE phenomenon considering it as a dynamic process created and managed by innovative social entrepreneur an individual or team who strives to create new social values in the market and community at large By now SE has attained a wider and more enthusiastic acceptance in corporate thinking and practice than in the literature This double line of reasoning partly theoretical and partly practitioner based drives the bottom line of the book In the first part The New Social Entrepreneurship

looks for a consistent answer to a muddle of still unresolved questions How can SE be defined How can SEVs be identified What are the main dimensions along which organizations vary and what factors lead to success What does success mean Does the way in which an SEV is designed matter Does it make sense to talk about a social business plan Is an SEV aligned with traditional sources of financing And so on In the second part the book changes perspective examining several practical examples of how perspectives on SE are translated into concrete phenomena LocalFeed CafeDirect The Sekem Initiative Teleserinita the NYC Watershed Agreement and sustainable tourism in Turkey and so on They illustrate theoretical frameworks each enlightening specific aspects of SE and making theory and practice comparisons *Handbook of Research Methods on Social Entrepreneurship* R. Seymour, 2012-01-01 Defining social entrepreneurship has in the past proved problematic and debate continues concerning what it does and does not entail and encompass This unique book frames the debates surrounding the phenomenon and argues that many of the difficulties relating to the study of social entrepreneurship are rooted in methodological issues Highlighting these issues the book sets out ideas and implications for researchers using alternative methodologies Contributors expertly present practical guides for researchers setting out appropriate strategies and methods that can be adopted to explore and understand social entrepreneurship Chapters deal with research strategies such as storytelling action research and the case study as well as the methods appropriate for understanding discourse large data sets and networks The book also explores some challenges for researchers and will be of particular interest to early career researchers or researchers first approaching the field

**Local Economic and Employment Development (LEED) Entrepreneurship A Catalyst for Urban Regeneration** OECD,2004-12-14 Entrepreneurship and urban regeneration policy have traditionally been treated as separate fields This volume is one of the first to focus explicitly on the links between the two examining how policy can help

regenerate inner cities and other areas of urban distress      Exporting Press Freedom Craig LaMay, 2017-07-12 International media assistance is a small but important form of international democracy promotion aid Media assistance boomed after the 1989 transitions in Central Europe but now flows to virtually all regions of the world Today the media assistance industry is focused on the problem of sustainability How are free and independent public affairs media supposed to maintain their editorial mission while facing hostile political systems or the demands of the consumer marketplace Many media in developing countries have been or are grant dependent When grants are exhausted or withdrawn media that were funded to further democratic consolidation typically wither and die Some become mere grant chasers Others abandon public service to the demands of market competition or political patronage As a result governmental and non governmental grant makers now emphasize the need for sustainability in considering grants in the media sector Many grant recipients have grown frustrated sometimes bitter and have sought to take a much more active role in the way assistance programs are put together Just how is sustainability to be achieved while also ensuring a public service editorial mission Exporting Press Freedom examines the history and practice of media assistance and argues that the dilemma of media independence and sustainability is best understood as an economic problem rather than one of poor editorial standards or lack of will It includes profiles of news and public affairs media in developing and democratizing countries and also of two non governmental organizations that have pioneered the use of low interest loans in media assistance These profiles exemplify strategic and entrepreneurial approaches to developing and supporting public service media Such approaches may be of use not only in the developing world but in the consolidated Western democracies as well where concern has grown about poor journalistic performance and its consequences f      **How to Think Like an Entrepreneur** Daniel Smith, 2020-05-14 Learn how to think like the smartest minds in business with this essential guide to the mindsets of the world s best entrepreneurs      **Political Entrepreneurship** Charlie Karlsson, Charlotte Silander, Daniel Silander, 2016-10-28 Political Entrepreneurship explores the role of political entrepreneurs in regional growth and entrepreneurial diversity The authors define a political entrepreneur as a politician bureaucrat or officer within the publicly funded sector who encourages entrepreneurship for growth and employment using innovative approaches This book aims to enrich the established research on entrepreneurship with in depth knowledge of the conditions conducive for political entrepreneurship in Sweden      *Strategic Management in the Arts* Lidia Varbanova, 2013-01-03 Strategic Management in the Arts looks at the unique characteristics of organisations in the arts and culture sector and shows readers how to tailor a strategic plan to help these diverse organizations meet their objectives Strategic management is an essential element that drives an organisation s success yet many cultural organizations have yet to apply strategic thinking and entrepreneurial actions within the management function Varbanova reviews the existing theories and models of strategic management and then relates these specifically to cultural organisations Also included are sections on entrepreneurship and innovations in the arts considering the concept of a learning organisation an organisation

able to adapt its strategy within a constantly changing complex environment The book is structured to walk the reader through each element of the strategic plan systematically With a fresh approach key questions examples international cases to connect theory with practice and suggestions for further reading this book is designed to accompany classes on strategic planning cultural management or arts management *Social Entrepreneurship* Manuel London, Richard G. Morfopoulos, 2009-12-04
