The Politics of the Textbook Michael Apple,Linda

Christian-Smith,2017-09-08 The Politics of the Textbook analyzes the factors that shape production distribution and reception of school texts through original essays which emphasize the double edged quality of textbooks Textbooks are viewed as systems of moral regulation in the struggle of powerful groups to build political and cultural accord They are also regarded as the site of popular resistance around disclosing the interest underlying schoolknowledge and incorporating alternative traditions

Thematic Teaching of Women's Rights Issues with Social Studies Trade Books Jeremiah

Clabough,Natalie Keefer,2023-09-29 This edited volume presents a distinctive approach for exploring pedagogical frameworks methods and strategies for teaching thematically about women s rights using social studies trade books After an introductory chapter by Jeremiah Clabough that provides a compelling rationale for thematic teaching of women s rights issues and controversial topics Natalie Keefer and Tori Flint situate the remaining chapters within the context of theory and research on women s rights issues and include a discussion of implications and considerations for the role multiple literacies have in advancing women s rights in North America and beyond In subsequent chapters a diverse assemblage of respected scholars within the field of social studies education introduce important women who advanced women s human rights in the United States paired with a notable trade book about their life challenges and achievements Then chapter authors describe student centered pedagogies with inquiry based pedagogies aligned with the NCSS C3 Framework that teachers can implement with upper elementary and middle school students to seamlessly integrate literacy and social studies for the purpose of thematically teaching about women s rights

Another Development Runa Sarkar,Anup Sinha,2020-11-29 This book is an important intervention in the debate between economic and social development It makes the case for understanding development in economic terms as well as in terms of well being empowerment and participation

Democracy at the Crossroads Cameron White,Roger Openshaw,2007-01-01 In Democracy at the Crossroads the editors argue that there have been too few scholarly attempts to provide a comprehensive critique of the assumptions behind citizenship education In particular they ask the distinguished contributors to this volume to address difficult but essential questions that are often avoided or intentionally overlooked What do all embracing terms like global citizenship really mean What does democracy mean internationally A timely work Democracy at the Crossroads provides a necessary examination and re interpretation of international perspectives on democracy and global citizenship as they apply to social education

Readers' Guide to Periodical Literature Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1919 An author subject index to selected general interest periodicals of reference value in libraries Work Teams: Past, Present and Future M.M. Beyerlein, 2013-06-29 This book places current and future work team practices in historical context Researchers from 10 countries have contributed chapters that represent developments specific to their regions and that illustrate the way ideas spread around the world Some principles of effective teaming were independently discovered in different countries and some principles emerged from the work of researchers like Trist Emery and Lewin and spread around the world But all of the practices were driven by the dynamic tension between the psychology of the employee and business necessities Theories and cases describe autonomous work groups self managed work teams cell teams and other collaborative work structures Contributions to the design of such structures came from psychology management sociology industrial engineering and manufacturing Because of the challenges inherent in reorganising work around teams instead of individuals organizations are at different stages in evolving into 21st century work systems **Nation, Constitutionalism and Buddhism in Sri Lanka** Roshan de Silva Wijeyeratne, 2013-08-15 Nation Constitutionalism and Buddhism in Sri Lanka offers a new perspective on contemporary debates about Sinhalese Buddhist nationalism in Sri Lanka In this book de Silva Wijeyeratne argues forcefully that Sinhalese Buddhism in the period prior to its engagement with the British colonial State signified a relatively unbounded although at times boundary forming set of practices that facilitated both the inclusion and exclusion of non Buddhist concepts and people within a particular cosmological frame Juxtaposing the premodern against the backdrop of colonial modernity de Silva Wijeyeratne tells us that in contrast modern Sinhalese Buddhism nationalism is a much more reified and bounded concept one imagined through a 19th century epistemology whose purpose was not so much inclusion but a much more radical exclusion of non Buddhist ideas and people In this insightful analysis modern Sinhalese Buddhist nationalism then emerges through the conjunction of discourse power and knowledge at a distinct moment in the trajectory of the colonial State An intrinsic feature of this modernist moment is that premodern categories such as the cosmic order were subject to a bureaucratic re valuation that generated profound consequences for State society relations and the wider constitutional legal imaginary This book goes onto explore how key constitutional and nation building moments were

framed within the cultural milieu of modern Sinhalese Buddhist nationalism a nationalism that reveals the power of a revalued Buddhist cosmic order to still inform the present Given the intensification of the Sinhalese Buddhist nationalist project following the defeat of the Tamil Tigers in 2009 this book is of interest to scholars of nationalism South Asian studies the anthropology of ritual and comparative legal history *American Universities and Colleges* ,2014-10-08 No detailed description available for American Universities and Colleges *Subject Guide to Books in Print* ,1991 [The United States Catalog](#) Mary Burnham,Carol Hurd,1928 *Readers' Guide to Periodical Literature* ,1919 *Braiding Histories* Susan D. Dion,2009-05-01 This book proposes a new pedagogy for addressing Aboriginal subject material shifting the focus from an essentializing or othering exploration of the attributes of Aboriginal peoples to a focus on historical experiences that inform our understanding of contemporary relationships between Aboriginal and non Aboriginal peoples Reflecting on the process of writing a series of stories Dion takes up questions of re presenting the lived experiences of Aboriginal people in the service of pedagogy Investigating what happened when the stories were taken up in history classrooms she illustrates how our investments in particular identities structure how we hear and what we are willing to know Braiding Histories illuminates the challenges of speaking listening and writing reading across cultural boundaries as an Aboriginal person to communicate Aboriginal experience through education It will be useful to teachers and students of educational and Native studies and will appeal to readers seeking a better understanding of colonialism and Aboriginal non Aboriginal relations *Buried Thirteen* O'Clock Press,2018-02-18 BURIED what is who is where are they buried and most of all why Asking the question with the word Buried set the Thirteen writers to utilising their many and varied talents to bring you every aspect of being or having been buried their imaginations could conjure The result is an engrossing spine tingling read Enjoy **Kansas City Metropolitan Verse** kcmetroverse , kcmetroverse,2009-10-19 A collection by poets living in the Kansas City metropolitan area all members of the Kansas City chapter of the Missouri State Poetry Society
