**Encyclopedia of Victimology and Crime Prevention** Bonnie S. Fisher, Steven P. Lab, 2010-02-02 Victimology and crime prevention are growing interrelated areas cutting across several disciplines Victimology examines victims of all sorts of criminal activity from domestic abuse to street violence to victims in the workplace who lose jobs and pensions due to malfeasance by corporate executives Crime prevention is an important companion to victimology because it offers insight and techniques to prevent situations that lead to crime and attempts to offer ideas and means for mitigating or minimizing the potential for victimization In many ways the two fields have developed along parallel yet separate paths and the literature on both has been scattered across disciplines as varied as sociology law and criminology public health and medicine political science and public policy economics psychology and human services and more The Encyclopedia of Victimology and Crime Prevention provides a comprehensive reference work bringing together such dispersed knowledge as it outlines and discusses the status of victims within the criminal justice system and topics of deterring and preventing victimization in the first place and responding to victims needs Two volumes containing approximately 375 signed entries provide users with the most authoritative and comprehensive reference resource available on victimology and crime prevention both in terms of breadth and depth of coverage In addition to standard entries leading scholars in the field have contributed Anchor Essays

that in broad strokes provide starting points for investigating the more salient victimology and crime prevention topics A representative sampling of general topic areas covered includes interpersonal and domestic violence child maltreatment and elder abuse street violence hate crimes and terrorism treatment of victims by the media courts police and politicians community response to crime victims physical design for crime prevention victims of nonviolent crimes deterrence and prevention helping and counseling crime victims international and comparative perspectives and more *Gendered Domestic Violence and Abuse in Popular Culture* Shulamit Ramon, Michele Lloyd, Bridget Penhale, 2020-11-30 As binge watching and streaming lead to increasing amounts of content and screen time understanding how domestic violence and abuse is portrayed in popular culture and its impact on DVA in our society is more important than ever This collection demonstrates how networked communication is influencing activism both online and in the real world

**Domestic Violence in Diverse Contexts** Sarah Wendt, Lana Zannettino, 2014-09-15 Overwhelmingly it is women who are the victims of domestic violence and this book puts women s experiences of domestic violence at its centre whilst acknowledging their many diverse and complex identities Concentrating on the various forms of domestic abuse and its occurrence and manifestations within different contexts it argues that gender is centrally implicated in the unique factors that shape violence across all these areas Individual chapters outline the experiences of Mothers Older women Women with religious affiliations Refugee women Rural women Aboriginal women Women in same sex relationships Women with intellectual disabilities Exploring how domestic violence across varying contexts impacts on different women s experiences and understandings of abuse this innovative work draws on post structural feminist theory and how these ideas view and potentially allow gendered explanations of domestic violence Domestic Violence in Diverse Contexts is suitable for academics and researchers interested in issues around violence and gender
