Swift The Critical Heritage:

Swift; the Critical Heritage Kathleen Williams,1970 Oliver Goldsmith Dr Johnson and Voltaire are among the writers represented in a collection of eighteenth century criticism of Swift Jonathan Swift Kathleen Williams,2012-10-02 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer s work enabling student and researcher to read the material themselves Swift: the Critical Heritage Kathleen Williams (ed),1970 (Jonathan) Swift, the Critical Heritage ,1970 *Swift: the Critical Heritage* Kathleen Williams,1970 The reception given to a writer by his contemporaries and near contemporaries is evidence of considerable value to the student of literature The separate volumes in the Critical Heritage Series present a record of this early criticism The search for eighteenth century Swift criticism is a rather frustrating one and in this volume some comments by early nineteenth century writers have been included to suggest that slowly a certain detachment from the political and personal events of Swift s life was enabling critics to turn their attention to the works This volume makes available much material which would otherwise be difficult of access and it is hoped that the modern reader will be thereby helped towards an informed understanding of the ways in which literature has been read and judged General editor s preface
