Sword And The Flame:

The Sword and the Flame Stephen R. Lawhead,1996-12 Amidst ancient halls of stone an age old evil stirs With a cunning more potent than sorcery Nimrood the Necromancer has returned bent on a monstrous vendetta that would strip Quentin of everything he holds dear His loved ones his faith Zhaligkeer the sword of his kingship and ultimately the kingdom itself sway in the balance as Quentin unguarded and alone races toward a confrontation with his cruelest foe *Sword and the Flame* Steve Lawhead,1995 *The Sword and the Flame* Stephen Lawhead,1987 **Yahweh among the Gods** Michael Hundley,2022-01-13 In this study Michael Hundley explores the diverse deities of ancient Near Eastern and biblical literature from deified doors and diseases to the masters of the universe Using data from Mesopotamia Hittite Anatolia Egypt the Levant and non priestly Genesis and Exodus Hundley explains their context specific approach to deity which produces complex and seemingly contradictory portraits He suggests that ancient deities gained prominence primarily by co opting the attributes of other deities rather than by denying their existence or inventing new powers He demonstrates that the primary difference between biblical and ancient Near Eastern presentations lies in their rhetorical goals not their conceptions of gods While others promote divine supremacy Genesis and Exodus promote exclusive worship Hundley argues that this monolatry redefined the biblical divine sphere and paved the way for the later development of monotheism and monotheistic explanations of evil Fox Elvensword and the Sword of Bhaal George Allen Butler II,2014-08-18 Bhaal sat on his most prized possession a golden and ivory throne bought with the money he had earned during the adventures of his youth It rose up from the floor like the stump of a once magnificent tree Two huge armrests flanked each side of the seat fanning out at the top to end in a smooth flat surface Gold etched with runes spiraled and swirled through the structure everywhere The sides were as the bark of a tree rippled and pitted as if worn by time and water damage The back reached up high enough to support his slender shoulders and bent back into a curl like the edge of aged parchment Bhaal however was in stark contrast to the throne His once statuesque body had wasted away He was nothing more than skin and bones The stench of his breath was that of a carcass The dark black orbs that were his eyes stared straight ahead from his skull into the hallway before him He had the look of someone seeing into eternity A tarnished bronze crown sat on filthy dusty black hair His tunic had rotted away to nothing more than tatters A rusted shirt of chain mail rested upon it torn away at the waist His leather breeches had dry rotted away from the knees down A rusted chain skirt covered his thighs Its links were broken and jagged at the seams High top plate boots rusted from years of neglect covered his feet The heavy coating of dust upon him told those who looked at him that he had not moved in years It was hard to tell that Bhaal was still alive but alive he was He had somehow managed to live far beyond his own time existing without eating or moving The physicians had given up long ago on trying to figure out what it was that kept him so Theologians had inspected him Philosophers debated his refusal to die in his present state In truth he had not spoken in twenty years even though the wilderness and upstart usurpers carved away at his vast empire

until all he still owned was the small town of Nineveh that rested at the base of his small keep And then there was the sword An elegant bronze and Damascus steel broadsword reaching up from the base of the throne to the palm of Bhaals hand Its point made a gouge in the floor Red rubies adorned the hilt and pommel and even through years of non use the whole sword was immaculately polished and clean It was the sword that had carved out Bhaals once mighty empire and thousands of legends were attributed to the revered artifact Forged from pure dark iron found only on the plains of the Abyss it was rumored to have dispatched more than one daemon from existence **The Chautauquan** ,1901 *Vandermine: the Sword's Errand* Murray R. Clay,2008-08-19 Now Available Vandermine The Swords Errand 9 CD audio book at www.audiorealms.com Downloadable MP3 file at www.theaudiobookshop.com Contains bonus sample from the sequel Vandermine Children of the Apocalypse Jon Andrews is a fun loving college football player who defies the stereotype by being as well studied and thoughtful as he is physically intense He enjoys studying medieval history almost as much as sacking quarterbacks A trip to a medieval exhibit at a local museum sends a pair of bullets from the gun of a panicked robber his way and brings a stolen broadsword mysteriously into his possession Before he can return it the ancient weapon spirits him away to its own world Gritty pain and true fear soon convince him that he is not simply dreaming when he finds himself in what appears to be medieval Europe Captured by the kings soldiers a wizard of the Holy Order reveals that the stranger carries the legendary sword Vandermine and that it is dead iron in the hands of anyone else Jon is soon pressed into service joining a desperate quest to slay Cravos the would be conqueror of the kingdom and violator of all the laws of the Holy Order in unleashing forbidden and wildly destructive magicpower that once loosed threatens to bring to pass the prophesied second apocalypse Jons companions on the quest are a veritable dream teamthe kings championthe best in their respective disciplines The further the reluctant hero travels the more he sees things that seem to have leapt straight out of books of mythologynot history It is soon painfully obvious that being in great physical shape and wielding a magic sword is not enough Thrust into a life or death struggle in a world he cant understand Jon relies on his faithful comrades to give him the skills he needs to command Vandermines full power before the reality of this impossible world catches up with him The journey for Jon is not merely physically daunting and dangerous but mentally and emotionally taxing as well Before he was torn out of the world he once knew he was accustomed to being one of the stronger and more competent members of his team However the harsh realities of the ancient world that has called for him soon humiliate him making him feel like the weakest link Through training suffering and conquering with the kings picked men as he strives to fulfill the swords errand Jon gains the respect due a battle hardened veteranearning it the hard way *Sword of the Flame* Maggie Furey,1996-04-01 The magnificent epic that Maggie Furey began in Aurian and continued in Harp of Winds soars to new heights of enchantment as Aurian and Anvar face unforeseen peril in their quest for a lost artifact of power At last the lovely Lady Aurian has regained her powers and golden spring unlocks the iron bonds of a sorcerous winter But still the corrupt Archmage Miathan s curse

follows her And as she and her beloved soulmate Anvar quest northward toward the ravaged city of Nexis they are pursued to the very gates of death by betrayal madness and forbidden spellcraft Only by invoking the highest magic can they hope to find the Sword of Flame last of the four great weapons fashioned eons ago Only by awakening its might can they save a world newly threatened by a dark Mage as powerful as Miathan and even more vicious **The Englishman's Hebrew and Chaldee Concordance of the Old Testament** George V. Wigram,1874 *Ten Thousands of Swords Flies* Heng Men,2020-01-06 I will use my sword to protect the person I love I will use my sword to sweep away all obstacles in front of me regardless of what difficulties there are in front of me my sword is my path I will persevere on the Sword Path do not care about hardships difficulties being in charge of Wan Jian being in charge of everything and when the Magic Sword appears I the human being will use my blood to take away my Sword Path
