Symmetry And Sense The Poetry Of Sir Philip Sidney:

Symmetry and Sense Robert L. Montgomery, 2011 *Symmetry and Sense* Robert L. Montgomery, Jr., 2014-08-04 Few Elizabethans left the image of their personalities cut so deeply into the Renaissance imagination as did Sir Philip Sidney. Widely admired in his own time, Sidney must seem to the modern reader almost universally accomplished. His talents as courtier, diplomat, soldier, scholar, novelist, and poet are history. Almost immediately after Sidney's death in battle against the Spaniards in the Low Countries, the process of legend began, and the legend has survived, sometimes obscuring the facts. The versatile Renaissance man has become, in the eyes of some critics, the romantic lover whose frustrations and despair found release in the confessional form of the sonnet sequence *Astrophel and Stella*, and in other poems. To show these poems to be consciously constructed works of art, not simply passionate outbursts of romantic emotion, is one aim of this study. The author examines Sidney as poet and critic, concentrating his study on rhetorical technique and poetic rhythm and form. He shows Sidney experimenting with the symmetrical possibilities of rhythm and phrase, practicing the ornateness current and acceptable in his day. He examines Sidney's comment on such a style in *The Defense of Poesy* and the ways in which the poet's own work agreed with or departed from his expressed opinions. He also balances Sidney's poetry against the powerful tradition of Petrarchan love literature and the equally powerful Renaissance impulse to subject passion to the rule of reason. Finally, in an extended analysis of *Astrophel and Stella*, he shows Sidney as the master of a plainer, wittier, more subtly fashioned style and a complex, more dramatically immediate form. What emerges from the study is not the personality of the poet but the principles of his art and the value of his achievement in the mainstream of English Renaissance verse.

Symmetry and Sense : the Poetry of Sir Philip Sidney R. L. Montgomery, 1969 **Symmetry and sense: the poetry of Sir Philip Sidney, by Robert L. Montgomery, Jr** Robert Langford Montgomery, **Symmetry and Sense** Robert L. Montgomery, 1961-06-01 Few Elizabethans left the image of their personalities cut so deeply into the Renaissance imagination as did Sir Philip Sidney. Widely admired in his own time, Sidney must seem to the modern reader almost universally accomplished. His talents as courtier, diplomat, soldier, scholar, novelist, and poet are history. Almost immediately after Sidney's death in battle against the Spaniards in the Low Countries, the process of legend began, and the legend has survived, sometimes obscuring the facts. The versatile Renaissance man has become, in the eyes of some critics, the romantic lover whose frustrations and despair found release in the confessional form of the sonnet sequence *Astrophel and Stella*, and in other poems. To show these poems to be consciously constructed works of art, not simply passionate outbursts of romantic emotion, is one aim of this study. The author examines Sidney as poet and critic, concentrating his study on rhetorical technique and poetic rhythm and form. He shows Sidney experimenting with the symmetrical possibilities of rhythm and phrase, practicing the ornateness current and acceptable in his day. He examines Sidney's comment on such a style in *The Defense of Poesy* and the ways in which the poet's own work agreed with or departed from his expressed opinions. He also

balances Sidney's poetry against the powerful tradition of Petrarchan love literature and the equally powerful Renaissance impulse to subject passion to the rule of reason. Finally in an extended analysis of *Astrophel and Stella* he shows Sidney as the master of a plainer, wittier, more subtly fashioned style and a complex, more dramatically immediate form. What emerges from the study is not the personality of the poet but the principles of his art and the value of his achievement in the mainstream of English Renaissance verse.

Tropes and the Literary-Scientific Revolution Michael Slater, 2024-04-02. *Tropes and the Literary-Scientific Revolution* Forms of Proof argues that the rise of mechanical science in the seventeenth century had a profound impact on both language and literature. To the extent that new ideas about things were accompanied by new attitudes toward words, what we commonly regard as the scientific revolution inevitably bore literary dimensions as well. Literary tropes and forms underwent tremendous reassessment in the seventeenth century and early modern science was shaped just as powerfully by contest over the place of literary figures from personification and metaphor to anamorphosis and allegory. In their rejection of teleological explanations of natural motion, for instance, early modern philosophers often disputed the value of personification, a figural projection of interiority onto what was becoming increasingly a mechanical world. And allegory, a dominant mode of literature from the late Middle Ages until well into the Renaissance, became the vice of those times as Thomas Rymer described it in 1674. This book shows that its acute devaluation was possible only in conjunction with a distinctively modern physics. Analyzing writings by Sidney, Shakespeare, Bacon, Jonson, Brahe, Kepler, Galileo, Hobbes, Descartes, and more, it asserts that the scientific revolution was a literary phenomenon just as the literary revolution was also a scientific one.

Writing After Sidney Gavin Alexander, 2010. *Writing After Sidney* examines the literary response to Sir Philip Sidney (1554-86), author of *Arcadia*, *Astrophil and Stella*, and *The Defence of Poesy*, and the most immediately influential writer of the Elizabethan period. It does so by looking closely both at Sidney and at four writers who had an important stake in his afterlife: his sister Mary Sidney, his brother Robert Sidney, his best friend Fulke Greville, and his niece Mary Wroth. At the same time as these authors wrote their own works in response to Sidney, they presented his life and writings to the world and were shaped by other writers as his literary and political heirs. Readings of these five central authors are embedded in a more general study of the literary and cultural scene in the years after Sidney's death, examining the work of such writers as Spenser, Jonson, Daniel Drayton, and Herbert. The study uses a wide range of manuscript and printed sources and key use is made of perspectives from Renaissance literary theory, especially Renaissance rhetoric. The book aims to come to a better understanding of the nature of Sidney's impact on the literature of the fifty or so years after his death in 1586; it also aims to improve our understanding both of Sidney and of the other writers discussed by developing a more nuanced approach to the questions of imitation and example so central to Renaissance literature. It thereby adds to the general store of our understanding of how writing of the English Renaissance offered examples to later

readers and writers and of how it encountered and responded to such examples itself **The Ashgate Research Companion to The Sidneys, 1500-1700** Mary Ellen Lamb, 2017-02-17 Presented in two volumes The Ashgate Research Companion to The Sidneys 1500 1700 assesses the current state of scholarship on members of the Sidney family and their impact as historical and or literary figures in the period 1500 1700 Volume 2 Literature begins with an exploration of the Sidneys books and manuscripts and how they circulated followed by an overview of the contributions of family members Sir Philip Sidney Mary Sidney Herbert Countess of Pembroke Lady Mary Wroth Robert Sidney Earl of Leicester and William Herbert Earl of Pembroke in the genres of prose romance drama poetry psalms and prose These essays outline major controversies and areas for further research as well as conducting literary analysis **Echoes of Desire** Heather Dubrow, 2018-03-15 No detailed description available for Echoes of Desire

Symmetry And Sense The Poetry Of Sir Philip Sidney Introduction

In today's digital age, the availability of Symmetry And Sense The Poetry Of Sir Philip Sidney books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Symmetry And Sense The Poetry Of Sir Philip Sidney books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Symmetry And Sense The Poetry Of Sir Philip Sidney books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Symmetry And Sense The Poetry Of Sir Philip Sidney versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Symmetry And Sense The Poetry Of Sir Philip Sidney books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Symmetry And Sense The Poetry Of Sir Philip Sidney books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Symmetry And Sense The Poetry Of Sir Philip Sidney books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Symmetry And Sense The Poetry Of Sir Philip Sidney books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Symmetry And Sense The Poetry Of Sir Philip Sidney books and manuals for download and embark on your journey of knowledge?

FAQs About Symmetry And Sense The Poetry Of Sir Philip Sidney Books

1. Where can I buy Symmetry And Sense The Poetry Of Sir Philip Sidney books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
