Symptoms And Solutions For Women:

Women's Health Solutions Gary Null, 2011-01-04 In each of its thirty eight chapters this encyclopedia includes a thorough discussion of each health problem and the recommended preventions and treatments emphasizing tried and proven alternative approaches from acupuncture and Ayurveda to Chinese medicine and Hellerwork to Reiki and yoga techniques Complemented by a resource guide and tips on how to select an alternative health practitioner the unconventional approaches found in Women's Health Solutions are bound to empower women to take their health into their own hands

HRT Solution (rev. edition) John M Kells, Marla Ahlgrimm, R.Ph., 2003-10-13 Now revised and updated the comprehensive program for restoring vitality sexuality and health using natural hormones just the ones each individual woman needs and just the amount she needs The decision of whether or not to use hormone replacement therapy HRT during menopause is perhaps more controversial and more confusing than ever before The HRT Solution provides a balanced discussion of the issues and most important offers a choice that goes beyond yes or no The authors explain the shortcomings of the conventional cookie cutter approach to HRT which gives women standardized amounts of synthetic hormone substitutes or animal derived hormone products Instead they recommend a program designed to meet each woman's particular needs Their approach emphasizes the importance of testing and ongoing monitoring to determine precisely which hormones a woman may want to supplement The solution lies in the prescription of individualized doses of custom made natural hormones exact matches for the ones a woman's body produces The HRT Solution makes it possible for each woman to maintain a hormonal balance that is optimal for her body and her well being without the unpleasant side effects and potential for long term health problems associated with conventional HRT
