The Church In The House A Return To Simplicity:

The Church in the House Robert Fitts, 2018-04-17 The Church in the House a Return to Simplicity The most rapid expansion of Christianity in history took place in the first two hundred fifty years of the Church's history until recently Something has been happening for the past twenty five years in China that is growing even faster What is remarkable is that both of

The Church in the House Robert Fitts, 2009-10-15 Let the Church Meet in Your House! Emerson T. Manaloto, 2019-10-31 The communities in which we live all suffer alienation from God and the sin social disorder and brokenness that follows As Christians we yearn to see our communities saturated with the good news of Jesus Christ but there are countless obstacles to overcome in our churches and mission agencies as we seek to fulfil this vision In this book Emerson Manaloto offers the model of New Testament based house churches as the vehicle for gospel ministry in communities around the world with specific applications for the Filipino context Examining four areas leaders learners lessons and locations Dr Manaloto presents foundational principles of the New Testament that can be the basis for our own contemporary churches and ministry Manaloto critically analyzes the house church in terms of its concepts in the first century its context in the Greco Roman world and its practices as outlined in the New Testament This analysis is then used to draw conclusions for how twenty first century small groups in the Philippines can be stable mature and multiply resulting in the birth of more churches locally and globally and the transformation of lives and communities as they encounter Jesus Christ

Kingdom Expressions J. D. Payne, 2012 In our changing world how do Christians worship and how do we reach out to new believers An expert takes a look at some of the most significant gospel advancing movements and trends to take place in the latter twentieth and twenty first centuries in the United States

Family in Mission Johannes Reimer, 2020-06-30 Innumerable books have been written about successful outreach and evangelism yet almost none address the centrality of the family as God's intended vehicle for experiencing life community and growth In this timely and powerful book Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church this book also provides creative ideas for implementing a family centered praxis that offers preparation and support to families living out their calling to make Christ known To ignore the family Reimer warns is to ignore the church's greatest resource for transmitting truth communicating love and embodying the gospel If we are to be effective in making disciples of all nations we must start in our own homes

Why House Church Dion Culver, 2023-09-30 2020 was the year no one expected The Church was shaken as many were forced to close their doors and refuse people access Yet could God still move inside of human chaos Why House Church is the story of how we were led into House Churches during a turbulent time Why did we transition to House Churches How did we do it How did the people respond What were the results These are all questions that are answered in Why House Church In the last three years we have rediscovered rhythms of gathering we had only previously

seen in the early church We were put in a position to challenge our own ways of doing things and radically seek the Lord for what was best in this season Seeing Christ in the Old Testament (part 1) Stephen Kaung,2009-09-26 The word of God is living and operative Hebrews 4 12a It is living and not just letter because it gives life The Scriptures are operative because they contain not only theological ideas to be pondered but also spiritual realities to be experienced For every scripture is divinely inspired God breathed and profitable for teaching for conviction for correction for instruction in righteousness that the man of God may be complete fully fitted to every good work II Timothy 3 16 17 Ye search the scriptures said the Lord Jesus Christ for ye think that in them ye have life eternal and they it is which bear witness concerning me and ye will not come to me that ye might have life John 5 39 40 It behooves us therefore to diligently read the Bible and meditate on it To encourage God s people to study God s word brother Stephen Kaung delivered a series of messages on the sixty six books of the Bible Commencing in 1983 each Lord s day the survey of one book was shared from the New Testament and a similar sharing from the Old Testament commenced in 1986 Each message is merely a panoramic view of each book of the Bible a tasting of the sweetness of God s word The aim is to provide the saints with some basic understanding in their search of God s word These being spoken messages no acknowledgement of the names of the many commentaries consulted is indicated This survey of the Holy Bible will be published as Volume I and Volume II under the overall title of God Has Spoken with Volume I bearing the subtitle Seeing Christ in the Old Testament and consisting of two physical volumes Part One Genesis to Song of Songs and Part Two Isaiah to Malachi and Volume II bearing the subtitle Seeing Christ in the New Testament May God use these volumes to increase our love for His word *Planting Churches That Reproduce* Joel Comiskey,2008-12 Small group resources tend to overlook the spiritual side of small group leadership And yet most would agree that spiritual preparation is the most important aspect of leading a small group Only Gods supernatural power can draw people to the truth and liberate them to be all that God wants them to be The key distinction of this book is the spiritual perspective it gives to small group ministry So much of the literature about small groups that is already published relates to small group technique and only touches briefly on the Spirits power This book is a practical reference guide to help small group leadership begin to move in the supernatural realm The books first priority is to help small group leaders and members trust the Holy Spirit to lead them empower them and work in their group Small group facilitators often sense a lack of guidance power and spiritual authority Jesus knew His disciples would be powerless without a touch from the Holy Spirit and so He told them to wait in Jerusalem saying You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea and Samaria and to the ends of the earth Acts 1 8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts **Brethren Society** Carl F. Bowman,Carl Desportes Bowman,1995-03 In the first book ever written on the subject Carl Bowman examines how and why members of

the Church of the Brethren historically known as Dunkers after their method of baptism were assimilated faster and earlier than their Amish Mennonite or even Hutterite cousins Revelation. By the authoress of "Revelation the Orb of Light," etc
