The Churches Of Soulard:

The Churches of Soulard Joan Furlong Huisinga,1998 The land which became the Soulard District of St Louis was originally part of Spanish crown grants It was subdivided by Julia Cerre the widow of Antoine Soulard surveyor for the King of Spain Immigrants began settling in the area in the late 1790s The churches which were constructed in the neighborhood over the years reflect the ethnic diversity of the residents

Soulard's Second Century ,2001 Soulard s Second Century embodies the spirit of the past Through tales of travel from distant lands searching to fulfill the American Dream to laughter shared within the walls of a tight knit community Betty Pavlige s oral history takes the reader on a journey back in time to Soulard s rich past This is history as it was lived in the words of the woman who experienced it The neighborhood s famous market travails of work and the bonds of friendship encompass these pages filled with memories of a century in Soulard St Louis s historic neighborhood Betty Pavlige has combined images from family albums with a tremendous number of her own personal tales to document the changing times in Soulard Her vivid and poignant voice weaves together a tapestry of everyday life and chronicles what it was like to grow up in Soulard

The Names of John Gergen Benjamin Moore,2021-03-26 Rescued from the dumpster of a boarded up house the yellowing scraps of a young migrant s schoolwork provided Benjamin Moore with the jumping off point for this study of migration memory and identity Centering on the compelling story of its eponymous subject The Names of John Gergen examines the converging governmental and institutional forces that affected the lives of migrants in the industrial neighborhoods of South St Louis in the early twentieth century These migrants were Banat Swabians from Toront l County in southern Hungary they were Catholic agrarian and ethnically German Between 1900 and 1920 the St Louis neighborhoods occupied by migrants were sites of efforts by civic authorities and social reformers to counter the perceived threat of foreignness by attempting to Americanize foreign born residents At the same time these neighborhoods saw the strengthening of Banat Swabians ethnic identities Historically scholars and laypeople have understood migrants in terms of their aspirations and transformations especially their transformations into Americans The experiences of John Gergen and his kin however suggest that identity at the level of the individual was both more fragmented and more fluid than twentieth century historians have recognized subject to a variety of forces that often pulled migrants in multiple directions
