The Churches Paul Left Behind:

The Churches the Apostles Left Behind Raymond Edward Brown, 1984 This book is a study of seven very different churches in the New Testament period after the death of the apostles

The Church That Is Left Behind Kobus Swart, 2008-11 A significant pillar of twentieth century dispensationalism is the postponement doctrine of the kingdom of God This indiscriminate futurism has caused great damage and robbed the gospel of its power in the lives of believers for years John the Baptist and Jesus both clearly identified the kingdom with the era of the Holy Spirit At no time anywhere in Scripture was the coming of the kingdom made conditional on a Jewish response or event What more effective strategy could the enemy use than to have Christians believe they should be in passive waiting mode Has our failure to proclaim a full and accurate gospel of the kingdom left nations untouched still plagued by disease famine and corruption despite decades of evangelism An eschatology of victory awaits a victorious church that engages with the Holy Spirit in this present apostolic season Creation has been waiting in eager expectation for the manifestation of the sons of God What are the sons waiting for Are you ready to respond In this book Kobus Swart resolutely confronts the erroneous doctrinal stronghold of eschatology For centuries the church has been imprisoned and restrained in fulfilling its governmental mandate because of inaccurate interpretations of the end times This is an invaluable resource in identifying and unveiling deceptive eschatological ideologies and presenting a more accurate understanding of the end of the age Thamo Naidoo River of Life Ministries Pietermaritzburg South Africa Kobus Swart has been in full time ministry since 1974 and is the founder of the Bizweni Community Church in Somerset West near Cape Town South Africa where he and his family live From this apostolic resource base he leads a ministry team serving believers both locally and in other nations

Leaving Left Behind Mike Wilson, 2021-01-19 Positive psychologists have proven that positivity leads to success but most Christians in America have chosen to believe a single eschatological theory that leads to pessimism and cynicism Pessimistic Christians put themselves in Christian bubbles and focus on self preservation and when a mind is clouded by negativity interpretations of biblical prophecy lean toward the pessimistic possibilities The fantastic writing of the Left Behind books has popularized premillennial dispensationalism with good intentions but that interpretation of biblical prophecy teaches that sinfulness will continually increase until Jesus throws up his hands in disgust and secretly raptures worthy Christians leaving behind unworthy sinners to suffer the wrath of the antichrist Teaching that questionable theory produces negativity that hinders the Christian mission When Christians believe that they cannot succeed in leading most of the world to Jesus they will fail to put in the effort that success would require Jesus on the other hand taught his followers that nothing will prevail over his church and that teaching inspired them to sacrifice everything for the Christian mission This is not a promise of prosperity without effort or of inevitable success but biblical positivity is an energizing force that will help Christians flourish
