The Clicked Retriever:

The Clicked Retriever Lana Mitchell, 2005-10 Teaching the obedience retrieve is one of the most challenging tasks in dog training but teaching it with a clicker is the best no force way to succeed Learn the language and mechanics clicker training for basics and advanced skills

The Clicked Retriever Lana Mitchell, 2005-10 The retrieve is one of the most difficult skills for most dogs to master in competitive obedience It is difficult because it involves a long series of steps that the dog must learn in order to complete the exercise successfully Many trainers are realizing that teaching a complex series of behaviors like this is most easily done through the use of clicker training The Clicker Retriever teaches you step by step how to clicker train your dog to do a solid enthusiastic and reliable retrieve Learning no force techniques builds trust between you and your dog makes training more enjoyable for both of you and sets you up for life long training success built on scientific principles respect and fun The Clicked Retriever also shows you how to apply retrieving skills to other activities such as flyball and service dog training
