The Cold Moons:

The Cold Moons Aeron Clement, Penguin Books, Limited, 1988 **Taledo's Road** Johnny P., 2021-05-06 Taledo's Road is a story about the impact of westward expansion on some of the Native American tribes. The main characters and their story are fictional but many of the historic battles and situations actually took place in American history. This story begins in the American southwest with the Apache bands and their fight for survival in an ever-changing land and country. The time period of this story also includes the issue of slavery and American the Civil War. Many different topics are covered such as the Indian Wars involving the Sioux and their Cheyenne allies. The Apaches and their wars for their southwest homeland are mentioned as well. Taledo's Road illustrates the impact of Manifest Destiny on the Indigenous tribes and people that were previously living in this country. Although the influx of war and diseases devastated the Native American people and destroyed much of their culture they did survive it. This book tells a tale of how they struggled and fought to survive in the face of unsurmountable odds. The story has some sad parts and situations but everything can't be happy when dealing with history.

White Fox Gary Dallmann, 2013-09 This is a story about a warrior of the People the Dakota nation. After extensive research Gary Dallmann chose to write a story that recounts the exploits of White Fox a warrior who was elevated to chief of the Dakota nation at the young age of twenty-eight. As chief he faced many challenges. This kind intelligent man proved to be the right choice since he had the welfare of his people paramount in his mind. This is also a gripping tale of misplaced revenge against White Fox by Broken Face a fierce warrior of the Tree People. His obsession ended the lives of many warriors. Worry over a demented enemy would have been sufficient to age a seasoned chief but to make things worse White Fox's spirit helper sent a message warning him of a dangerous and seemingly demonic pack of wolves invading the Dakota hunting grounds. The wolves were killing indiscriminately and their evil sport was not restricted to animals.
