The Collected Prose Of Robert:

The Collected Prose of Robert Creeley Robert Creeley, 1984 Collected in one volume the prose work of one of the major post World War II voices in American literature Robert Duncan Robert Duncan, 2014-01-27 This volume in the Collected Writings of Robert Duncan series gathers a far reaching selection of Robert Duncan's prose writings including most of his longer and more well known essays along with other prose that has never been widely available Ranging in original publication dates between 1940 and 1985 the forty one titles reveal a great deal about Duncan's life in poetry including his impressions of poets whose work he admires both contemporaries and precursors Evocative and eclectic this work delineates the intellectual contexts and sources of Duncan's poetics and opens a window onto the literary communities in which he participated

The Notebooks of Robert Frost Robert Frost, 2007-01-01 During his lifetime Robert Frost notoriously resisted collecting his prose going so far as to halt the publication of one prepared compilation and to lose the transcripts of the Charles Eliot Norton Lectures he delivered at Harvard in 1936 But for all his qualms Frost conceded to his son that you can say a lot in prose that verse won't let you say and that the prose he had written had in fact made good competition for his verse This volume the first critical edition of Robert Frost's prose allows readers and scholars to appreciate the great American author's forays beyond poetry and to discover in the prose that he did make public in newspapers magazines journals speeches and books the wit force and grace that made his poetry famous The Collected Prose of Robert Frost offers an extensive and illuminating body of work ranging from juvenilia Frost's contributions to his high school Bulletin to the charming chicken stories he wrote as a young family man for The Eastern Poultryman and Farm Poultry to such famous essays as The Figure a Poem Makes and the speeches and contributions to magazines solicited when he had become the Grand Old Man of American letters Gathered annotated and cross referenced by Mark Richardson the collection is based on extensive work in archives of Frost's manuscripts It provides detailed notes on the author's habits of composition and on important textual issues and includes much previously unpublished material It is a book of boundless appeal and importance one that should find a home on the bookshelf of anyone interested in Frost Collected Prose Robert Creeley, 2001 Early in his career Robert Creeley believed that his greatest contribution to literature would be in prose Although he has since established himself as one of the most influential poets of the twentieth century his remarkable body of prose work instilled with a deep understanding of language and narrative form remains an essential part of his oeuvre In addition to his first book of short stories The Gold Diggers a novel The Island a radio play Listen and Mabel A Story this omnibus edition includes two previously uncollected stories

The Complete Prose Works of Robert Burns Robert Burns, 1867 **The Collected Prose of Robert Frost** Robert Frost, Mark Steed Richardson, 1993 **The Collected Poems of Robert Creeley, 1975-2005** Robert Creeley, 2008-06-03 The subtlest feeling for the measure that I encounter anywhere except in the verses of Ezra Pound William Carlos Williams It is a study how Creeley lands syntax down the alley and his vocabulary pure English

to hit meters and rhymes all of which are spares and strikes Charles Olson Robert Creeley has created a noble body of poetry that extends the work of his predecessors Pound Williams Zukofsky and Olson and provides like them a method for his successors in exploring our new American poetic consciousness Allen Ginsberg His succinctness is like the unfettered flashing of a diamond John Ashbery Robert Creeley was one of the great giants of 20th Century American poetry This collection is his monument Paul Auster American poetry is unimaginable and happily unknowable without Creeley Andrei Codrescu author of it was today new poems Creeley is a touchstone for me a measure of what poetry is He is a genius of the sensorium as Kerouac was and a master of the ear as is Miles Davis He is a carver in space like Van Gogh Michael McClure There is no poetry more vivid immediate or telling than Robert Creeley s His Collected Poems extends the achievement of Dickinson Whitman and Williams into postwar America Creeley s excavation of particular words images and sentiments resonate beyond the pages of this book into the fabric of everyday life This is American invention at its best as necessary as the air we breathe and the ground we walk on Charles Bernstein It isn t what a poet says that counts as a work of art William Carlos Williams once wrote it s what he makes with such intensity of perception that it lives with an intrinsic movement of its own to verify its authenticity I can t think of another contemporary poet whose acute sensitivity to the particular event of making and in poetry making includes breaking each written line is as consummately fine tuned as Robert Creeley s Susan Howe He was the main support in the old house of poetry the main beam C D Wright Brown University alumni newsletter There is no poet like Creeley His multiple subjectivities and magic syllables have kept us curious and honest Never a false step never a less than tender heart for the sound and the brilliant cognitive often fierce power therein What a glorious long life in writing These late poems keep the brilliant tempo We are very lucky he is still so much among us Anne Waldman Robert Creeley transformed the momentary spontaneous music of being alive into a profoundly enduring American art brilliant necessary impeccably scored He made it new for always Peter Gizzi

The Collected Poems of Robert Creeley, 1945-1975 Robert Creeley, 2006 A collection of Creeley s work gathered from obsolesced collections small press booklets and little mags Here one can trace the development of his poetry from its early break with the Eliot Auden tradition to the development of his own distinct voice in the middle poems such as Words and Pieces known for their precise terse and almost minimalist language as well as his return to the more direct concern for love and humanity Restores to print For Love The Charm In London His Idea Thirty Things Backwards Away and previously uncollected poems

The Collected Prose Robert Lowell, 1990-09-01 This is the first collection of Robert Lowell s poetry which reveals a writer of unmistakeable brilliance who has a profound insight into the human condition

The Collected Prose Elizabeth Bishop, 1984-11 A compilation of fiction and nonfiction includes both previously published and hitherto unpublished stories such as In the Village The Housekeeper and Gwendolyn and nonfiction works discovered among the author s papers after her death
