The Coming World Leader Understanding The Of Revelation:

The Coming World Leader David L. Hocking,1988 *The Coming World Leader* David L. Hocking,1988 **The Case for Zionism** Thomas Ice,2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day **Existential Threats** Lisa Vox,2017-07-03 In Existential Threats Lisa Vox explores the growth of dispensationalist premillennialism alongside scientific understandings of the end of the world and contends that these two allegedly competing visions have converged to create an American apocalyptic imagination *When Time Shall Be No More* Paul Boyer,1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture **The Coming Worldwide Calvary** Desmond Ford,2009 The most important New Testament prophecy is also the most neglected and the least understood despite our Lord s command to know and understand it See Matthew 24 15 The abomination standing in the holy place launches the tribulation such as never was bringing a worldwide Calvary that threatens to annihilate the Christian church This scenario is also discussed by Paul the Apostle in 2 Thessalonians 2 under the title of the man of sin the Antichrist who sits in the temple of God at present restrained by the mysterious hinderer This book is written for the layperson longing to know what the Bible actually teaches about the future and what will happen at the end of time In it Dr Ford describes Antichrist s nature and work and clarifies the gospel of Justification by Faith that Antichrist seeks to destroy **The Coming World Leader** David L. Hocking,1988 **A House Divided-7 Events Before Rapture & the Coming Christian Holocaust** Michael Johnson,2004-11 Just as Jesus Christ promised a book that simplifies and clarifies the End Times prophecies is finally here A House Divided chronicles in easy to understand terms the ENTIRE End Times scenario including SEVEN easy to remember End Events After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible the author has been able to piece together the prophecies to form a single coherent picture of the End Times During the process of gathering together the prophecies the Author also discovered

a profound prophecy concerning the emergence of a book in the End Times that outlines seven events In The Revelation Chapter 10 John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders Although John heard the thunders and was about to write them down he was told to conceal them The author of A House Divided feels that he has uncovered what those seven thunders are By themselves the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book There are at least twenty COMPLETELY NEW interpretations of prophecy never before presented that are detailed in the book Many of the author s interpretations are as bold in its assertions as The Revelation is mysterious Jews also will find this work especially intriguing In rather blunt terms the author exalts Jews while diminishing the importance of many religious social and political organizations of our day including organized Christian hierarchy and the Catholic Church The book uses a minimum of scriptural quotes and explains in everyday language and terms what Christians must know to prepare themselves for a terrible Christian holocaust in the future And the book has been formatted to appeal to the less educated Christian Formerly most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text translations and scholarly jargon A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works It omits diplomacy and gets straight to the point Without a doubt A House Divided is as profound in fresh and new End Times understanding in this day as The Revelation was in the day of John Do not miss this opportunity to know understand and REMEMBER what has eluded all of us to this day the final revealing of the mystery of God and the WHOLE End Times Truth **The Coming Wars**

Alton Lynn Cooper,2023-11-14 Death and destruction are the result of man s fallen nature This world s history is filled with wars and rumors of war Untold millions have lost their lives in these endless battles and sadly more battles are on the way This book identifies the major wars approaching the people of this world according to the Holy Word of God Terrifying times are drawing near for those who are not saved and as a result will remain on this earth during these catastrophes Praise God this book also reveals God s simple plan of salvation and clearly describes what a person must do to be saved and escape the horror to come God desires that all come to the Lord Jesus Christ receiving forgiveness of their sins and an eternal home in heaven He has done all He can by sending His precious Son into this world to die on a cruel Roman cross We thank God that not only did Jesus die for us but that He was also buried and on the third day gloriously raised from the dead giving eternal life to all those who receive Him as their personal Lord and Saviour God never turns anyone away who comes to Him with a repentant heart His grace is sufficient to take away our sins and gather us into His loving arms If you are not yet saved our prayer is for you to receive Jesus as your personal Lord and Saviour today finding the peace and joy that only He can give
