The Comintern and the Spanish Civil War Edward Hallett Carr, 1984      **The Comintern and the Spanish Civil War** Edward Hallett Carr, Tamara Deutscher, 1984      **Comintern Army** R. Dan Richardson, 2014-07-15 When Spain exploded into civil war in July 1936 a conflict whose roots were deep in the Spanish past became the arena for the violent political passions that divided Europe north of the Pyrenees Germany Italy and the Soviet Union intervened actively in the war using Spain as a testing ground for their military equipment and techniques and their political ideologies In this first in depth study of the politics of the International Brigades in the Spanish Civil War R Dan Richardson views the Brigades in the wider context of both the complex political military alignments of Loyalist Spain and the broader Soviet Comintern strategy during the Popular Front era While not denying the generous impulse that led many young men the world over to enlist in the cause of the Spanish Republic he sees the Brigades primarily as instruments of communist policy He argues that the directing force behind the enlistment training and deployment of the Brigades was the international communist organization a compelling example of how the ends of propaganda and politics took precedence over military objectives Using a wide array of sources in English Spanish French Italian and German and a thorough analysis of the Brigades own voluminous literary output Richardson clearly shows that the Brigades were a significant political ideological and propaganda instrument which was used effectively by the Comintern for its own purposes not only in Spain but on the larger world stage      The Spanish Civil War, the Soviet Union, and Communism Stanley G. Payne, 2008-10-01 In this compelling book Stanley G Payne offers the first comprehensive narrative of Soviet and Communist intervention in the revolution and civil war in Spain He documents in unprecedented detail Soviet strategies Comintern activities and the role of the Communist party in Spain from the early 1930s to the end of the civil war in 1939 Drawing on a very broad range of Soviet and Spanish primary sources including many only recently available Payne changes our understanding of Soviet and Communist intentions in Spain of Stalin s decision to intervene in the Spanish war of the widely accepted characterization of the conflict as the struggle of fascism against democracy and of the claim that Spain s war constituted the opening round of World War II The author arrives at a new view of the Spanish Civil War and concludes not only that the Democratic Republic had many undemocratic components but also that the position of the Communist party was by no means counterrevolutionary      The Comintern in Spain before the Civil War Gustavo Martín Asensio, 2024-06-13 The Spanish Second Republic 1931 1939 has been written about widely and remains mired in antifascist anti communist and historical memory controversies A deep dive into the Soviet British intelligence and other European archives this new book brings the majority consensus among historians of the Second Republic into question and sheds new light on the scale of Soviet communist activity in Spain before the outbreak of war in July 1936 Providing an in depth analysis of Comintern RGASPI and other European archival documentation much of which has not been discussed until now Gustavo Mart n Asensio here demonstrates the growing and fundamentally subversive

activity of the Comintern within the socialist union and party the armed forces and cultural influencers which culminated in the spring of 1936      The Comintern in Spain Before the Civil War Gustavo Martín-Asensio,2024-07-11 The Spanish Second Republic 1931 1939 has been written about widely and remains mired in antifascist anti communist and historical memory controversies A deep dive into the Soviet British intelligence and other European archives this new book brings the majority consensus among historians of the Second Republic into question and sheds new light on the scale of Soviet communist activity in Spain before the outbreak of war in July 1936 Providing an in depth analysis of Comintern RGASPI and other European archival documentation much of which has not been discussed until now Gustavo Mart n Asensio here demonstrates the growing and fundamentally subversive activity of the Comintern within the socialist union and party the armed forces and cultural influencers which culminated in the spring of 1936      Spain Betrayed Ronald Radosh,Mary R. Habeck,G. N. Sevost'ianov,2001-01-01 Spain Betrayed provides full documentation of the Soviets activities during the Spanish Civil War Documents in the book reveal that the Soviet Union not only swindled the Spanish Republic out of millions of dollars through arms deals but also sought to take over and run the Spanish economy government and armed forces in order to make Spain a Soviet possession thereby effectively destroying the foundations of authentic Spanish antifascism The documents also shed light on many other disputed episodes of the war the timing of the Republican request for assistance from the Soviet Union the rise and fall of the International Brigades the internal workings of the Comintern and its influence on Spain and much more BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
