Weems Jr., 2020-03-09 Born to enslaved parents Anthony Overton became one of the leading African American entrepreneurs of the twentieth century Overton s Chicago based empire ranged from personal care products and media properties to insurance and finance Yet despite success and acclaim as the first business figure to win the NAACP s Spingarn Medal Overton remains an enigma Robert E Weems Jr restores Overton to his rightful place in American business history Dispelling stubborn myths he traces Overton s rise from mentorship by Booker T Washington through early failures to a fateful move to Chicago in 1911 There Overton started a popular magazine aimed at African American women that helped him dramatically grow his cosmetics firm Overton went on to become the first African American to head a major business conglomerate only to lose significant parts of his businesses and his public persona as the merchant prince of his race in the Depression before rebounding once again in the early 1940s Revealing and panoramic *The Merchant Prince of Black Chicago* weaves the fascinating life story of an African American trailblazer through the eventful history of his times *The African-American Male* Jacob U. Gordon, 1999-07-30 The plight of the Black male in American society has been well documented by scholars and practitioners Although Black males represent only 6 percent of the American population they represent about 40 percent of the prison population the number of Black males in prison and jail exceeds the number of Black males in higher education The homicide rates for Black males were 72.5 percent per 100 000 nearly eight times higher than for White males This bibliographic volume explores the extent to which American academia has addressed these problems It will be an invaluable resource for researchers as well as practitioners in social service

programs In addition to more than 400 annotated publications the book includes a selected list of works on the African American male and a compilation of doctoral dissertations This publication will serve as a reference in public as well as academic libraries human service agencies government policymaking agencies and in academic courses in gender and ethnic studies criminal justice and social psychology

The Chicago Black Renaissance and Women's Activism Anne Meis Knupfer, 2023-02-13 Following on the heels of the Harlem Renaissance the Chicago Renaissance was a resonant flourishing of African American arts literature theater music and intellectualism from 1930 to 1955 Anne Meis Knupfer's *The Chicago Black Renaissance and Women's Activism* demonstrates the complexity of black women's many vital contributions to this unique cultural flowering The book examines various groups of black female activists including writers and actresses social workers artists school teachers and women's club members to document the impact of social class gender nativity educational attainment and professional affiliations on their activism Together these women worked to sponsor black history and literature to protest overcrowded schools and to act as a force for improved South Side housing and employment opportunities Knupfer also reveals the crucial role these women played in founding and sustaining black cultural institutions such as the first African American art museum in the country the first African American library in Chicago and various African American literary journals and newspapers As a point of contrast Knupfer also examines the overlooked activism of working class and poor women in the Ida B Wells and Altgeld Gardens housing projects

The African American Experience Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed

Encyclopedia of African American Business History Juliet E. K. Walker, 1999-11-30 Black business activity has been sustained in America for almost four centuries From the marketing and trading activities of African slaves in Colonial America to the rise of 20th century black corporate America African American participation in self employed economic activities has been a persistent theme in the black experience Yet unlike other topics in African American history the study of black business has been limited General reference sources on the black experience with their emphasis on social cultural and political life provide little information on topics related to the history of black business This invaluable encyclopedia is the only reference source providing information on the broad range of topics that illuminate black business history Providing readily accessible information on the black business experience the encyclopedia provides an overview of black business activities and underscores the existence of a historic tradition of black American business participation

Entries range from biographies of black business people to overview surveys of business activities from the 1600s to the 1990s including slave and free black business activities and the Black Wallstreet to coverage of black women's business activities and discussions of such African American specific industries as catering funeral enterprises insurance and hair care and cosmetic products Also there are entries on blacks in the automotive parts industry black investment banks black companies listed on the stock market blacks and corporate America civil rights and black business and black athletes and business activities

Building the Black Metropolis Robert E. Weems Jr., 2017-08-10 From Jean Baptiste Point DuSable to Oprah Winfrey black entrepreneurship has helped define Chicago Robert E Weems Jr and Jason P Chambers curate a collection of essays that place the city as the center of the black business world in the United States Ranging from titans like Anthony Overton and Jesse Binga to McDonald's operators to black organized crime the scholars shed light on the long overlooked history of African American work and entrepreneurship since the Great Migration Together they examine how factors like the influx of southern migrants and the city's unique segregation patterns made Chicago a prolific incubator of productive business development and made building a black metropolis as much a necessity as an opportunity Contributors Jason P Chambers Marcia Chatelain Will Cooley Robert Howard Christopher Robert Reed Myiti Sengstacke Rice Clovis E Semmes Juliet E K Walker and Robert E Weems Jr

Finding Your African American Ancestors David T. Thackery, 2000 Although the search for African American ancestry prior to the Civil War is challenging the difficulties are not always insurmountable *Finding Your African American Ancestors* takes you through your ancestors transition from slavery to freedom and helps you find them using the federal census plantation records and other helpful sources The book also considers ways to locate runaway slave advertisements to identify an ancestor's military regiment and to access the valuable information from The Freedman's Savings and Trust records

Making a New Deal Lizabeth Cohen, 1990 The lives of Chicago workers are traced in the mid thirties to reveal how their experiences as citizens members of ethnic or racial groups wage earners and consumers converged to transform them into New Deal Democrats and CIO unionists

Racism in the United States Meyer Weinberg, 1990-05-21 This volume represents the most comprehensive book length bibliography on the subject of racism available in the United States Compiler Meyer Weinberg has surveyed a wide ranging group of material and classified it under 87 subject headings drawing on articles books congressional hearings and reports theses and dissertations research reports and investigative journalism Historical references cover the long history of racism while the heightened awareness and activity of the recent past is also addressed in detail In addition to works that fit the narrow definition of racism as a mode of oppression or group denial of rights based on color Weinberg includes references dealing with sexism antisemitism economic exploitation and similar forms of

dehumanization References are grouped under a series of subject headings that include Civil Rights Desegregation Housing Socialism and Racism Unemployment and Violence against Minorities Items which do not have self explanatory titles are annotated and virtually every section is thoroughly cross referenced Also included is one section of carefully selected references on racism in countries other than the United States Unlike the remainder of the book this section is not comprehensive but rather provides an opportunity to view racism comparatively The volume concludes with an author index This work will be a significant addition to both academic and public libraries as well as an important resource for courses in racism sociology and black history

Consumer Society in American History Lawrence B. Glickman, 1999 This volume offers the most comprehensive and incisive exploration of American consumer history to date spanning the four centuries from the colonial era to the present

The Rise of Chicago's Black Metropolis, 1920-1929 Christopher Robert Reed, 2011-04-15 During the Roaring 20s African Americans rapidly transformed their Chicago into a black metropolis In this book Christopher Robert Reed describes the rise of African Americans in Chicago s political economy bringing to life the fleeting vibrancy of this dynamic period of racial consciousness and solidarity Reed shows how African Americans rapidly transformed Chicago and achieved political and economic recognition by building on the massive population growth after the Great Migration from the South the entry of a significant working class into the city s industrial work force and the proliferation of black churches Mapping out the labor issues and the struggle for control of black politics and black business Reed offers an unromanticized view of the entrepreneurial efforts of black migrants reassessing previous accounts such as St Clair Drake and Horace R Cayton s 1945 study Black Metropolis Utilizing a wide range of historical data The Rise of Chicago s Black Metropolis 1920 1929 delineates a web of dynamic social forces to shed light on black businesses and the establishment of a black professional class The exquisitely researched volume draws on fictional and nonfictional accounts of the era black community guides mainstream and community newspapers contemporary scholars and activists and personal interviews

Knock at the Door of Opportunity Christopher Robert Reed, 2014-06-25 Disputing the so called ghetto studies that depicted the early part of the twentieth century as the nadir of African American society this thoughtful volume by Christopher Robert Reed investigates black life in turn of the century Chicago revealing a vibrant community that grew and developed on Chicago s South Side in the early 1900s Reed also explores the impact of the fifty thousand black southerners who streamed into the city during the Great Migration of 1916 1918 effectively doubling Chicago s African American population Those already residing in Chicago s black neighborhoods had a lot in common with those who migrated Reed demonstrates and the two groups became unified building a broad community base able to face discrimination and prejudice while contributing to Chicago s growth and development Reed not only explains how Chicago s African Americans openly competed with white people for jobs housing and an independent political voice but also examines the structure of the society migrants entered and helped shape Other topics include South Side housing black politics and protest the role of

institutionalized religion the economic aspects of African American life the push for citizenship rights and political power for African Americans and the impact of World War I and the race riot of 1919 The first comprehensive exploration of black life in turn of the century Chicago beyond the mold of a ghetto perspective this revealing work demonstrates how the melding of migrants and residents allowed for the building of a Black Metropolis in the 1920s 2015 ISHS Superior Achievement Award

Louis Armstrong, Duke Ellington, and Miles Davis Aaron Lefkowitz, 2018-06-20 This book examines Louis Armstrong Duke Ellington and Miles Davis as distinctively global symbols of threatening and nonthreatening black masculinity It centers them in debates over U S cultural exceptionalism noting how they have been part of the definition of jazz as a jingoistic and exclusively American form of popular culture The Depression Comes to the South Side Christopher Robert

Reed, 2021-12-22 Incorporate s microhistories and multiple biographies into a broader understanding of a community as complex and iconic as black Chicago Journal of American Studies In the 1920s the South Side of Chicago was looked on as the new Black Metropolis but by the turn of the decade that vision was already in decline a victim of the Depression In this timely book Christopher Robert Reed explores early Depression era politics on the city s South Side The economic crisis caused diverse responses from groups in the black community distinguished by their political ideologies and stated goals Some favored government intervention others reform of social services Some found expression in mass street demonstrations militant advocacy of expanded civil rights or revolutionary calls for a complete overhaul of the capitalist economic system Reed examines the complex interactions among these various groups as they played out within the community as it sought to find common ground to address the economic stresses that threatened to tear the Black Metropolis apart *Black*
