On First Name Terms With Angels Ross Friday,2007-02-08 On any other night and at any other time it wouldn't have seemed possible If it wasn't for the cameras silently rolling in just the right place at just the right time capturing the devastating and unprecedented scene nobody would have believed it could happen in such a previously uneventful stretch of road even those who were there would have doubted what they saw It's Christmas Eve in the city The streets are alive with crowds excitedly bustling below the thousands of fairy lights and panicking about tomorrow like they didn't know it was coming whilst others are literally wishing it wouldn't These total strangers have just one thing in common that what had been the loneliest night of the year had now become the loneliest night of their lives Alone and afraid they sink deeper into their own private chasms until there appears to be only one way out But when their very different worlds collide mere coincidences mount until even the most cynical amongst them can only interpret the escalating events as fate and it's undeniable that miracles can exist everything happens for a reason and whatever life's worth it's at least worth living An inventive poignant witty and highly original masterpiece that refuses to be confined by the restraints of any conventional genre at times as macabre as it is heartbreaking but ultimately so life affirming it could actually alter the way you look at the world I defy anyone to remain emotionally unaffected Neil Sean The Metro Sky News For more information please visit www.rossfriday.com

David R. Branon,2015-07-14 Today s inflammatory headlines come to satiric life in this convoluted tale of self serving hustlers as Detective Lawrence Striker and FBI Special Agent Cassandra Cassidy put their heads and other things together to weave their way through the violent eruptions of racial animosities and the rabble rousing buzzards who feast on those divisions There are crimes to solve but as the story evolves the layers of the fetid onion are peeled away to expose the maggots of deception and double dealing In an early morning shootout on the mean streets of River City two African American teenagers are gunned down by the cops and that heralds the emergence of the devious and race baiting Reverend Abraham Castille to media driven national prominence as he with incendiary rhetoric escalates civil protest into open warfare

As flames threaten to consume the city a kindly old lady who was witness to the shootout is murdered the city's police commissioner is assassinated and the rioting spins inexorably out of control and spreads with lethal effect to other parts of the country Striker and Cassidy are sucked into a cesspool of evil doings that include a drug trafficking network that reaches from River City all the way to Russian mobsters in Chicago In this miasma of duplicity everyone is sworn to different agendas and Striker's resolve is put to yet another cruel and life changing test With a comedic and jaundiced eye Branon depicts how today's warped self righteousness and avaricious self aggrandizement have squandered the nonviolent legacies of those who led the civil rights movement of the 60s a movement that wanted an equal opportunity for a seat at the table but didn't intend to burn the house down while they courageously pursued the invitation All this wrapped inside a page turning thriller a jigsaw puzzle of nefarious motives and end games

The Heat of Angels Lisa Girolami, 2014-03-01 In the City of Angels K9 police officer Chris Bergstrom keeps herself safe by following her instincts Across town Sarah Pullman also lives by her instincts since that horrible day when her life was almost snuffed out When they meet their attraction is stronger than anything they've ever experienced But Chris's black and white world view clashes with Sarah's all gray world of identity confusion and distrust They'll need more than their gut feelings to navigate the fragile relationship they so intensely desire Set against the turbulent backdrop of Los Angeles during fire season Chris and Sarah struggle with the realities of their pasts and the necessity of defying their long standing beliefs In order to overcome their conflicts they will have to step out of their self imposed cocoons take a real look at themselves and find the strength to walk through the fire

Oliver Taplin, 1993-01-28 This book opens up a neglected chapter in the reception of Athenian drama especially comedy and it gives stage centre to a particularly attractive and entertaining series of vase paintings which have been generally regarded as marginal curiosities These are the so called phryx vases nearly all painted in the Greek cities of South Italy in the period

400 to 360 BC Up till now they have been taken to reflect some kind of local folk theatre but Oliver Taplin prompted especially by three that have only been published in the last twelve years argues that most if not all reflect Athenian comedy of the sort represented by Aristophanes This bold thesis opens up questions of the relation of tragedy as well as comedy to vase painting the cultural climate of the Greek cities in Italy and the extent to which Athenians were aware of drama as a potential export It also enriches appreciation of many key aspects of Aristophanic comedy its metatheatre and self reference its use of stage action and stage props its unabashed indecency and its polarised relationship even rivalry with tragedy The book has assembled thirty six photographs of vase paintings Many are printed here for the first time outside specialist publications that are not readily accessible
