The Heart Of A Soldier:

From the Heart of a Soldier Brandi Sue Tramazzo, 2024-02-27 Steve Rondeau left home at sixteen and enlisted in the military at eighteen. When he arrived at Fort Polk Louisiana for basic training, Steve had no idea of what was ahead, especially when he realized he had unwittingly signed up for airborne school. Little did he know that he was about to become an airborne ranger who would eventually spend over sixteen years on jump status, become a free fall instructor at Fort Bragg and make over two thousand parachute jumps during his twenty-year military career. In a collection of true accounts that span several decades and branches of the military, veterans that include a medic, a first sergeant, and a colonel share fascinating, poignant, and sometimes humorous stories that transport others into chaotic war zones, their experiences running from the enemy, and life in the jungle where they lived out of a rucksack, invited destitute children to be their guides, and encountered eclectic residents. Included are bible verses, reflection questions, and short descriptions of families served by the BT Hero House Foundation. *From the Heart of a Soldier* shares compelling personal accounts from military veterans that offer a glimpse into the lives and experiences of those who serve our country. **The Heart of a Soldier** E. Soldier's Heart Elizabeth D. Samet,2004-08-01 Elizabeth D Samet and her students learned to romanticize the army from the stories of their fathers and from the movies For Samet it was the old World War II movies she used to watch on TV while her students grew up on *Braveheart* and *Saving Private Ryan* Unlike their teacher however these students cadets at the United States Military Academy at West Point have decided to turn make believe into real life West Point is a world away from Yale where Samet attended graduate school and where nothing sufficiently prepared her for teaching literature to young men and women who were training to fight a war Intimate and poignant *Soldier s Heart* chronicles the various tensions inherent in that life as well as the ways in which war has transformed Samet s relationship to literature Fighting in Iraq Samet s former students share what books and movies mean to them the poetry of Wallace Stevens the fiction of Virginia Woolf and J M Coetzee the epics of Homer or the films of James Cagney Their letters in turn prompt Samet to wonder exactly what she owes to cadets in the classroom Samet arrived at West Point before September 11 2001 and has seen the academy change dramatically In *Soldier s Heart* she reads this transformation through her own experiences and those of her students Forcefully examining what it means to be a civilian teaching literature at a military academy Samet also considers the role of women in the army the dangerous tides of religious and political zeal roiling the country the uses of the call to patriotism and the cult of sacrifice she believes is currently paralyzing national debate Ultimately Samet offers an honest and original reflection on the relationship between art and life
