The Chronicles Of Akhira:

The Chronicles of Akhira Abd al-Hayy Moore, 1986

Ramadan Sonnets / Poems Daniel Abdal-Hayy

Moore, 2005-10-01 RAMADAN SONNETS not always a spiritual meditation nor often even what should be felt and achieved in the fast the poems are striving for some reality of feeling and experience these poems are an imaginatively inspired record of the month its small epiphanies and grim endurances heading out from its physical constraints to contemplate a vast panorama or focusing in on particulars those embryos of explosive meaning to evoke the blessed month of Ramadan s intertwining flavors of asceticism and sensual gratitude its palatable and palpable Light In the Realm of Neither / Poems

Daniel Abdal-Hayy Moore, 2008 IN THE REALM OF NEITHER I had a dream just before waking of a shelf filled with books and I was reading the titles when a spotlight hit the spine of one book that also seemed to protrude from the others and be coming out of the shelf toward me On it were the words In the Realm of Neither that remained vivid and unforgettable upon waking poem If all the wood in the world were to sing and every rose gave a political speech and every cloud took pity on its neighbor and every stone composed an epic poem about being a stone and each of us saw God direct with our own eyes in naked vision as clearly as we see ourselves stooping to drink from a lake Next Life / Poems Daniel Abdal-Hayy

Moore, 2013-03-01 There are among us luminous beings who maintain that what we might taste of the Garden of Paradise and what we might suffer of the Fire of Hell is right here in our present earthly and mortal existence as well The imaginal truth of the Spiritual Path that points to the Next World after death is perhaps indisputable however some might vigorously dispute it but our lives upon reflection sometimes thrown overboard and barely making it to shore sometimes buoyed up very high and slammed down very low and hard are a living proof of the this world tasting of the Next World experience

Blood Songs / Poems Daniel Abdal-Hayy Moore, 2012 The look of love death has on its face and in its fathomless eyes as behind the burning irises legions upon legions of angels file up and down a spiraling staircase carrying love notes and bringing back blessings and reprieves I m really not sure why this particular collection of my poems is called Blood Songs the title it has had since beginning the first poem of the book written in October of 2000 and though as with other titles of mine not necessarily threading a theme throughout yet the title stands notwithstanding and so it stands **Through Rose**

Colored Glasses / Poems Daniel Abdal-Hayy Moore, 2008-04-07 THROUGH ROSE COLORED GLASSES is a book of visionary poems mindful of the story of Sayyedina Isa Jesus peace be upon him who one day passed by a decaying dog carcass in the road with his companions and replied when they complained at how rank it smelled Yes but its teeth are beautiful We can live our lives in misery seeing only the miserable aspects of this often grindingly difficult existence or in peace seeing the beauteous and majestic Handprint of The Divine Reality in everything These often ecstatic poems mindful of the former prefer the latter for their inspiration and their goal Coattails of the Saint / Poems Daniel Abdal-Hayy

Moore, 2006-06-01 COATTAILS OF THE SAINT is a collection of poems which chase after the coattails of sanctity in this

world with its meanings set up as images a Sufi definition of what we take around us as reality and those souls living among us right now and forever who have had bestowed upon them that dimension of sanctity which sets them apart while making them at the same time true human beings Imagination has given these poems a saintly thread with no particular saint in any traditional pantheon meant but rather that essence of simple sainthood of which we are all God willing capable Ala-udeen & The Magic Lamp / In Rhymed Couplets Daniel Abdal-Hayy Moore,2011 Here s the classic tale of Ala udeen Arabic pronunciation meaning The Glory of the Way and the well known genie or jinn in the magic lamp with all its smoke blasts of wondrous mystery swift mind boggling transformations heartfelt love longing for the princess of the sultan innocent good versus evil with good triumphant against black magicky dark forces and in modern narrative rhyming couplets for today s readers Everyone s invited for this new version of the ancient Muslim wisdom story from The Arabian Nights Alf Layla wa Layla or A Thousand Nights and a Night so well known as part of global consciousness that all you have to do is say the magic lamp and everyone knows what you re talking about blue smoke emerging genies and Your wish is my command but presented here in a sparkling new rendition Love Is a Letter Burning in a High Wind / Poems Daniel Abdal-Hayy Moore,2006-11-01 LOVE IS A LETTER BURNING IN A HIGH WIND is a chronicle in sequential open field poems of a second visit to Turkey the first recorded in formal ghazals and to the glorious atmospheres of Sufi Master Mevlana Rumi and his gnostic teacher Shams Included are three extended narrative poems in the thematic style of Rumi s Masnawi undertaken with no plot or source other than spontaneous inspiration characterized by talking animals and decapitated watermelons Ecstatic lyricism and sweet apprehension the impulse and goal to glorify and praise this swift life and its Originator and Sustainer Sometimes I get tired of all this talk about God and I just want to go and sit under a tree but then the tree starts talking to me about God and we find ourselves in another conversation **Like When You Wave at a Train / Poems** Daniel Abdal-Hayy Moore,2008 This may be my most personal book as I wrote this collection of poems as an attempt to definitively and honestly connect in a deep way with Farid my teenage stepson Ah since you re not my natural son you can be my supernatural son No actual genes of mine swim in your blood your flesh doesn t resemble mine though since I ve been your dad from the time you were two we now have a definite family resemblance leaping over genetic fact like some sleek green grasshopper of supernatural light
