Women and Children First Donald H. Roy, 2008 Twenty three days after the horrible Hartford circus fire July 6 1944 I was born in Hartford Connecticut My mother and aunt lived but 700 feet from the circus grounds Growing up so close to the circus grounds caused me to be haunted by this fire which no one spoke about much and no one adequately explained In the 1980s I began some research on the circus fire and eventually discovered a unique way of retelling this fire s long story First and foremost remember the personal characteristics of those who died then read the documentary account of the fire over the years and in the process consider this author s reflective commentary Starting in the late 1980s I began writing public policy dialogues which turned into five books *Dialogues in American Politics* *Public Policy Dialogues* *Reuniting America* *Eleven Multicultural Dialogues* *The Dialogic Resurgence of Public Intellectuals and State Governments* *Institutions and Issues* My preferred way of writing is dialogic since in politics there are always many different compelling voices and perspectives to consider In this circus fire book there is a dialogue between the documentary evidence the many voices and my own commentary Growing up a New Englander puts me in that tradition of seeking public accountability thus the underlying persistent theme of this book

The Hartford Circus Fire Michael Skidgell, 2019-04-08 Through firsthand accounts interviews with survivors and a gripping collection of vintage photographs author Michael Skidgell attempts to make sense of one of Hartford s worst tragedies Almost 7 000 fans eagerly packed into the Ringling Brothers big top on July 6 1944 With a single careless act an afternoon at the Greatest Show on Earth quickly became one of terror and tragedy as the paraffin coated circus tent caught fire Panicked crowds rushed for the few exits but in minutes the tent collapsed on those still struggling to escape below A total of 168 lives were lost many of them children with many more injured and forever scarred by the events Hartford and the surrounding communities reeled in the aftermath as investigators searched for the source of the fire and the responsible parties
