The Civil War And Reconstruction:

Texas After The Civil War Carl H. Moneyhon, 2004 Moneyhon looks at the reasons Reconstruction failed to live up to its promise America's Reconstruction Eric Foner, Olivia Mahoney, 1997-06-01 One of the most misunderstood periods in American history Reconstruction remains relevant today because its central issue the role of the federal government in protecting citizens rights and promoting economic and racial justice in a heterogeneous society is still unresolved America s Reconstruction examines the origins of this crucial time explores how Black and white southerners responded to the abolition of slavery traces the political disputes between Congress and President Andrew Johnson and analyzes the policies of the Reconstruction governments and the reasons for their demise America s Reconstruction was published in conjunction with a major exhibition on the era produced by the Valentine Museum in Richmond Virginia and the Virginia Historical Society The exhibit included a remarkable collection of engravings from Harper s Weekly lithographs and political cartoons as well as objects such as sculptures rifles flags quilts and other artifacts An important tool for deepening the experience of those who visited the exhibit America s Reconstruction also makes this rich assemblage of information and period art available to the wider audience of people unable to see the exhibit in its host cities A work that stands along as well as in proud accompaniment to the temporary collection it will appeal to general readers and assist instructors of both new and seasoned students of the Civil War and its tumultuous aftermath **The A to Z of the Civil War and Reconstruction** William L. Richter, 2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglis and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history **Reconstruction** Allen C. Guelzo, 2018 Allen C Guelzo s Reconstruction A Concise History is a gracefully written interpretation of Reconstruction as a spirited struggle to reintegrate the defeated Southern Confederacy into the American Union after the Civil War to bring African Americans into the political mainstream of American life and to recreate the Southern economy after a Northern free labor model *The Civil War and Reconstruction* Stanley Harrold, 2007-11-28 This new volume deals with two momentous and interrelated events in American history the
