ON DOMESTICATING ETHNICITY

F. G. BAILEY

The Civility Of Indifference On Domesticating Ethnicity

Frederick George Bailey

The Civility Of Indifference On Domesticating Ethnicity:

The Civility of Indifference Frederick George Bailey, 1996 The dissolution of Yugoslavia inspired F G Bailey to consider the relations among ethnic groups that had seemed reconciled to living together and then broke into murderous conflicts For his exploration of the ancient recurring problem of ethnic strife Bailey considers the village of Bisipara in the state of Orissa in eastern India Bisipara was a community in which different ethnic groups were seen as distinct breeds of people arranged in a hierarchy of worthiness In *The Civility of Indifference* Bailey documents a case of ethnic strife that threatened the village forty years ago but did not consume it in bloodshed The restraint he suggests reflected not compassion but a sense of inevitability The people of Bisipara perceived the world in such a way that violence enacted as ethnic cleansing would have seemed to them a disastrous indulgence and a sure path to self destruction Their story serves as a parable of pragmatic indifference in contrast to the fanaticism that justifies civil war A seasoned ethnographer the author considers the social structure of the community examining the multiple castes with sensitivity and respect His detailed description reveals the competing moral visions held by various groups and his conclusions open a new perspective on ethnic violence BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Civility of Indifference* F. G. Bailey, 2019-06-07 The dissolution of Yugoslavia inspired F G Bailey to consider the relations among ethnic groups that had seemed reconciled to living together and then broke into murderous conflicts For his exploration of the ancient recurring problem of ethnic strife Bailey considers the village of Bisipara in the state of Orissa in eastern India Bisipara was a community in which different ethnic groups were seen as distinct breeds of people arranged in a hierarchy of worthiness In *The Civility of Indifference* Bailey documents a case of ethnic strife that threatened the village forty years ago but did not consume it in bloodshed The restraint he suggests reflected not compassion but a sense of inevitability The people of Bisipara perceived the world in such a way that violence enacted as ethnic cleansing would have seemed to them a disastrous indulgence and a sure path to self destruction Their story serves as a parable of pragmatic indifference in contrast to the fanaticism that justifies civil war A seasoned ethnographer the author considers the social structure of the community examining the multiple castes with sensitivity and respect His detailed description reveals the competing moral visions held by various groups and his conclusions open a new perspective on ethnic violence Religious Indifference Johannes Quack, Cora Schuh, 2017-04-11 This book provides a conceptually and empirically rich introduction to religious indifference on the basis of original anthropological historical and sociological research Religious indifference is a central category for understanding contemporary societies and a controversial one For some scholars a growing religious indifference indicates a dramatic decline in religiosity and epitomizes the endpoint of secularization processes Others view it as an indicator of moral apathy and philosophical nihilism whilst yet others see it as paving the way for new forms of political tolerance and solidarity This volume describes and analyses the symbolic power of religious indifference and the conceptual contestations

surrounding it Detailed case studies cover anthropological and qualitative data from the UK Germany Estonia the USA Canada and India analyse large quantitative data sets and provide philosophical literary inquiries into the phenomenon They highlight how for different actors and agendas religious indifference can constitute an objective or a challenge Pursuing a relational approach to non religion the book conceptualizes religious indifference in its interrelatedness with religion as well as more avowed forms of non religion

Civility Benet Davetian,2009-04-18 Cut off in traffic Bumped without apology on the subway Forced to listen to a profane conversation in a public space In today s Western societies many feel that there has been a noticeable and marked decrease in mutual consideration in both public and private settings Are we less civil now than in the past Benet Davetian s masterful study *Civility A Cultural History* responds to this question through a historical social and psychological discussion of the civility practices in three nations England France and the United States Davetian s rich multi dimensional review of civility from 1200 to the present day provides an in depth analysis of the social and personal psychology of human interaction and charts a new course for the study and understanding of civility and civil society *Civility* addresses major topics in public discourse today regarding the ideals and practices of civility and the possibility of a future civility ethic capable of inspiring cooperation across cultural and national boundaries

Democratic Civility Robert Hefner,2018-02-06 In the aftermath of the cold war political commentators spoke ebulliently of the triumph of liberal democracy over its ideological rivals Shortly thereafter however a surge of ethnic and religious violence raised doubts about whether democracy could survive outside Western culture Similar concerns were soon raised even in Western nations by widespread citizen disengagement from the political process Voter apathy ideological conflict and debates about cultural diversity intensified doubts about the continuing viability of democratic institutions Throughout the whole world then few questions have come to define more clearly the challenge of our age than this how to facilitate civil free and democratic interaction among citizens of multicultural societies *Democratic Civility* examines the core requirements necessary to make democracy work Subtly interweaving case studies and theoretical reflection Hefner and his contributors examine the ideals culture development and organization of civil democracy Against a historical background they consider today s challenges to democracy asking whether international politics is destined to lead to a clash of civilizations or whether civil and democratic ideas are indeed realizable in a multicultural world Essays by Adam B Seligman Robert Wuthnow Brigitte Berger and Anton C Zijderveld address subjects germane to the culture wars controversy in the United States and other Western countries And Daniel Chirot Jose Casanova Robert P Weller and S Gordon Redding examine the prospects for democracy in non Western post communist societies in particular Chinese society and the Muslim world Hefner s highly readable volume reaches the core of the ongoing debate between Samuel Huntington s *The Clash of Civilizations* and Francis Fukuyama s *The End of History* whether liberal democratic values are generalizable to non Western societies or realizable only in the West *Democratic Civility* will be of interest to those in the fields of anthropology sociology history political theory and philosophy

The Tenacity of Ethnicity Marjorie Mandelstam Balzer, 2021-04-13 Marjorie Mandelstam Balzer combines extensive field research with historical inquiry to produce a dramatic study of a minority people in Russia the Khanty Ostiak of Northwest Siberia Although First Nations indigenous peoples have often been victims of expansionist state building Balzer shows that processes of acquiring ethnic identity can involve transcending victimhood She brings Khanty views of their history and current life into focus revealing multiple levels of cultural activism She argues that anthropological theory and practice can derive from indigenous insights and should help indigenous peoples Balzer brings to life the saga of the Khanty over several centuries She analyzes trends in Siberian ethnic interaction that strongly affected minority lives colonization Christianization revitalization Sovietization and regionalization These processes incorporate supranational and state politics including recent devastations stemming from the energy industry's land thefts Balzer documents changes that might seem to foreshadow the demise of indigenous ethnicity Yet the final chapters reveal ways some Khanty have preserved cultural values and dignity in crisis Khanty identity has varied with the politics of individuals groups and generations It has been shaped by recent grass roots mobilization ecological activism and religious revival as well as older historical memory language based solidarity and loyalty to a homeland *The Tenacity of Ethnicity* demonstrates how at each historical turn Siberian experiences shed new light on old debates concerning colonialism conversion revitalization ethnicity and nationalism This volume will be important for political scientists historians and regional specialists as well as anthropologists and sociologists

Civility in Crisis

Suryakant Waghmore, Hugo Gorringer, 2020-12-23 This book critically examines the relationship between civility citizenship and democracy It engages with the oft neglected idea of civility as a Western concept to explore the paradox of high democracy and low civility that plagues India This concept helps analyse why democratic consolidation translates into limited justice and minimal equality along with increased exclusion and performative violence against marginal groups in India The volume brings together key themes such as minority citizens and the incivility of caste civility and urbanity the struggles for dignity and equality pursued by subaltern groups along with feminism and queer politics and the exclusionary politics of the Citizenship Amendment Act to argue that civility provides crucial insights into the functioning and social life of a democracy In doing so the book illustrates how a successful democracy may also harbour illiberal values and normalised violence and civil societies may have uncivil tendencies Enriched with case studies from various states in India this book will be of interest to scholars and researchers of political science political philosophy South Asian studies minority and exclusion studies political sociology and social anthropology

Ethnic Identity George A. De Vos, Lola Romanucci-Ross, Takeyuki

Tsuda, 2006-06-22 In this thoroughly revised fourth edition with ten new chapters the editors provide thought provoking discussions on the importance of ethnicity in different cultural and social contexts The authors focus especially on changing ethnic and national identities on migration and ethnic minorities on ethnic ascription versus self definitions and on shifting ethnic identities and political control The international group of scholars examines ethnic identities conflicts and

accommodations around the globe in Africa including Zaire and South Africa Belgium Brazil Bulgaria Italy Japan Lithuania Macedonia the Netherlands the United States Thailand and the former Yugoslavia It will serve as an excellent text for courses in race ethnic relations and anthropology and ethnic studies *Race and Ethnicity: Solidarities and communities* Harry Goulbourne,2001 Tensions in Diversity Felicity Hwee-Hwa Chan,2022-11-01 Urban landscapes are complex spaces of sociocultural diversity characterized by narratives of both conviviality and conflict As people with multiple ethnicities and nationalities find their common destinies in thriving globalizing cities social cohesiveness becomes more precarious as different beliefs practices ambitions values and affiliations intersect in close proximity producing social tensions Tensions in Diversity presents a multi method comparative study that draws on the experiences of 140 residents of native and immigrant origin community organizers and municipal officers in three culturally diverse neighbourhoods of varying income levels in Los Angeles County Using cognitive mapping analysis combined with data from interviews surveys and participant observation this book explores how exactly coexistence is socio spatially experienced and negotiated in daily life Tensions in Diversity identifies the planning and design considerations that enable intercultural learning in the public places within diverse cities In doing so this book foregrounds urban space as an active force in shaping coexistence and convivial public environments
