Stocco,2014-12-08 Open your heart to God s love and you will get all the respite you need It is not that difficult Whenever I was down in the dumps I prayed You don t pray because it is not in you to beg God for help but you can open your heart to God and let God s love pour into you That is the way of the open heart Here s what you do think of all the times you loved and let your heart fill with those memories Think of one time one moment of love and just let the love fill your heart again that s the exercise It is your prayer Don t ask for anything more because God s love is all there is I am always with you my dear

Tales Vol. 5: In the Time of the King Shawn M. Tomlinson,2018-06-10 Outside was

crazy The thick coming storm weighed me down It could come any minute thunderous hurricane rain followed by all kinds of hell I dashed across the lawn into The Lab and up the stairs The bookcase was locked Most of our books anyone can look at Some we don t think would be wise to let out I fumbled the key chain looking for the tiny key that could open the door I managed to get it near the keyhole when the electricity died Cara may curse my pipe but right then I think she d have been glad I had a lighter The lighter helped me again The deep old books were a window to the past We had read few That would entail things like dying horrible deaths Instead we had a collection of about books essays written anywhere from last year to a thousand years ago The one I was looking for was deep red Aichlan s Deimos In it I hoped to sort out how to send Xith back to wherever the hell it came from before it ate Lily Dale or whatever it does

Living Life and the Struggle for Virtue Tab McKenzie,2023-05-09 A once famous philosopher named Montaigne warned that using oneself as the subject to write about is only pardonable when the person is famous and exceptional and I am certainly not However I was motivated to write this book to relieve my conscience by sharing some of my most private thoughts about some of life s most important topics with my family and friends since I failed to communicate with them adequately in person on these matters It has always been easier for me to express such intimate thoughts in writing Since I am now in my last stage of living life I thought it was time to share my thoughts on what I believe is most important in living life and that is Religion Philosophy how to live life well and

Politics I don't believe that politics is that important to living a good life but it has become such a divisive force in our world that I decided it was worth discussing. There are many writers and speakers concerning these topics that I have observed and contemplated over my many years. But my book relies heavily on the teachings of Jesus regarding my religious beliefs and the philosopher Montaigne in my discussion on living life well or better. In the POLITICS section of the book I highlight my thoughts and beliefs about the priorities, values, and perspective a Christian should consider when engaging in the political process. The essence of my book is to highlight my belief about what is the PURPOSE of our existence. I think most people are seeking the answer to this question. For me it is the struggle for Virtue.
