The Colombian Mule:

The Colombian Mule Massimo Carlotto, 2013-09-03 Think The Sopranos meets Goodfellas without the Americanized gloss A not for the faint hearted novel by an Italian master Reading Matters In The Colombian Mule the author called the reigning king of Mediterranean noir The Boston Phoenix and the best living Italian crime writer Il Manifesto brings to riveting life the story of Ar as Cuevas who sets in motion a chain of bloody events when police catch him trying to carry a shipment of La T a s cocaine into Italy The intended recipient of the coke appears to have been art smuggler Nazzareno Corradi But Corradi has been set up He hires a PI known as the Alligator to get him out of the mess he s in Meanwhile La T a a notoriously ruthless figure in the Colombian drug trade is determined to move her operation to Italy where cocaine has become all the rage among the professional classes There s only one thing standing in her way the Alligator The Alligator an ex con turned investigator and his two companions former underworld heavy Beniamino Rossini and Max the Memory are among Massimo Carlotto s most vivid noir creations Together the three men will wade deep into a criminal world of few scruples testing their own strict and specific moral code along the way The morally ambiguous tone makes this an intriguing read and the suspense is well maintained Manchester Evening News A fascinating glimpse into Italian culture and justice system It s sparsely written and though quite short there s a lot of action dark and gritty Euro Crime A brilliant book The Friendly Shelf The colombian mule Massimo Carlotto, 19?? The Colombian Mule Massimo Carlotto, 2004 When Colombian Arias Cuevas is caught trying to smuggle drugs through Venice airport his fear isn t fuelled by the idea of prison He s much more frightened of his aunt it was her coke he took off with The cops set up a sting to find out who was to be the recipient of the drugs and art smuggler Nazzareno Corradi falls straight into the trap But he s been set up His lawyer hires the Alligator and his fixer Max to find out what s going on Soon it becomes apparent why Cuevas was so afraid the aunt La Tia has left a bloody trail in her wake is now looking to do some business in Italy and she s not about to let anybody get in her way *The National Geographic Magazine*, 1921 Indexes kept up to date with supplements **The Immigrant Other** Rich Furman, Greg Lamphear, Douglas Epps, 2016-03-01 The immigrants profiled in The Immigrant Other shed light on a system designed to dehumanize and disenfranchise them and they describe the difficulty of finding shelter in an increasingly globalized and unsympathetic world They include Muslims facing discrimination from both the War on Terror and the War on Immigration Latino day laborers Filipino immigrants supporting themselves and their families back home and Brazilian parents terrified of being separated from their naturalized children Immigrants living in Spain Australia Greece and Qatar are also represented showcasing the similarities and differences in the treatment of immigrants worldwide Each chapter in this anthology pairs a description of specific state national and transnational immigration laws and regulations with the testimony of individuals struggling to find legitimacy and sanctuary among them **Italian Crime Fiction in the Era of the Anti-Mafia Movement** William Farina, 2020-03-13 Over the last three decades Italian crime fiction has demonstrated a trend toward a

much higher level of realism and complexity The origins of the New Italian Epic as it has been coined by some of its proponents can be found in the widespread backlash against the Mafia sponsored murders of Sicilian magistrates which culminated with the assassinations of Judges Giovanni Falcone and Paolo Borsellino in 1992 Though beginning in the Italian language this prolific popular movement has more recently found its way into the English language and hence it has found a much wider international audience Following a brief yet detailed history of the cultural and economic development of Sicily this book provides a multilayered look into the evolution of the New Italian Epic genre The works of ten prominent contemporary writers including Andrea Camilleri Michael Dibdin Elena Ferrante and Massimo Carlotto are examined against the backdrop of various historical periods This past is prologue approach to contemporary crime fiction provides context for the creation of these recent novels and enhances understanding of the complex moral ambiguity that is characteristic of anti mafia Italian crime fiction

Politics and Society in Italian Crime Fiction Barbara Pezzotti, 2014-01-23 This book comprehensively covers the history of Italian crime fiction from its origins to the present Using the concept of moral rebellion the author examines the ways in which Italian crime fiction has articulated the country's social and political changes The book concentrates on such writers as Augusto de Angelis 1888-1944 Giorgio Scerbanenco 1911-1969 Leonardo Sciascia 1921-1989 Andrea Camilleri b 1925 Lorian Macchiavelli b 1934 Massimo Carlotto b 1956 and Marcello Fois b 1960 Through the analysis of writers belonging to differing crucial periods of Italy's history this work reveals the many ways in which authors exploit the genre to reflect social transformation and dysfunction

The Foreign in International Crime Fiction Jean Anderson, Carolina Miranda, Barbara Pezzotti, 2012-06-14 The foreigner is a familiar character in popular crime fiction from the foreign detective whose outsider status provides a unique perspective on a familiar or exotic location to the xenophobic portrayal of the criminal other Exploring popular crime fiction from across the world *The Foreign in International Crime Fiction* examines these popular works as transcultural contact zones in which writers can tackle such issues as national identity immigration globalization and diaspora communities Offering readings of 20th and 21st century crime writing from Norway the UK India China Europe and Australasia the essays in this book open up new directions for scholarship on crime writing and transnational literatures

The Importance of Place in Contemporary Italian Crime Fiction Barbara Pezzotti, 2012-09-20 By taking as its point of departure the privileged relationship between the crime novel and its setting this book is the most wide ranging examination of the way in which Italian detective fiction in the last twenty years has become a means to articulate the changes in the social landscape of the country Nowadays there is a general acknowledgment of the importance of place in Italian crime novels However apart from a limited scholarship on single cities the genre has never been systematically studied in a way that so comprehensively spans Italian national boundaries The originality of this volume also lies in the fact that the author has not limited her investigation to a series of cities but rather she has considered the different forms of social landscape in which Italian crime novels are set Through the analysis of the

way in which cities the urban sprawl and islands are represented in the serial novels of eleven of the most important contemporary crime writers in Italy of the 1990s Pezzotti articulates the different ways in which individual authors appropriate the structures and tropes of the genre to reflect the social transformations and dysfunctions of contemporary Italy In so doing this volume also makes a case for the genre as an instrument of social critique and analysis of a still elusive Italian national identity thus bringing further evidence in support of the thesis that in Italy detective fiction has come to play the role of the new social novel

Contemporary World Fiction Juris Dilevko, Keren Dali, Glenda Garbutt, 2011-03-17 This much needed guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions In a globalized world knowledge about non North American societies and cultures is a must Contemporary World Fiction A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions
