The Coming World Dictator:

The Coming World Dictator John Wesley White, 1981

The Coming New World Order Thomas J. Mueller, 2015-04-02
This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don t heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming

The Coming World Leader David L. Hocking, 1988

When Time Shall Be No More Paul Boyer, 1994-01-01

As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture Iran: The Coming Crisis Mark Hitchcock, 2010-06-16 The Past Present and Future Exposed The events wracking the Middle East today are confusing to even the most avid news buff Now all the answers to your questions are offered in just one resource Divided into five main sections Iran The Coming Crisis contains the most up to date thorough information available and is complete with maps charts and timelines for visual assistance Iran s past present and future are exposed the country s quest for nuclear weapons and support of Palestinian terror groups its ability to play the oil card and Iranian president Mahmoud Ahmadinejad s apocalyptic beliefs that motivate his actions You ll discover the truth about today s events how they relate to Bible prophecy and what the Bible clearly describes is yet to come It s a crisis unlike any the world has ever faced Are We Headed for a Nuclear Jihad Israel must be wiped off the map Iran president Mahmoud Ahmadinejad said it himself He has denied the Holocaust and his actions are motivated by a dangerous apocalyptic view of Islam Meanwhile Islamic extremists are in hot pursuit of nuclear weapons as they stand as gatekeepers to the Persian Gulf oil flow Closer to home President Bush has stated that the greatest threat to America is nuclear terrorism In a prophecy written over 2 500 years ago Ezekiel 38 39 foretells Iran s future Iran Russia and other Islamic nations will invade Israel in the end times Today the connection between Iran and Russia only grows How close is this invasion What will happen Will America survive Will the world Mark Hitchcock an expert in Bible prophecy exposes Iran s past present and future with striking clarity Find maps charts and answers to your

every question inside I highly recommend Mark as a faithful guide to understanding current events in light of God's wonderful plan of prophecy. Tim LaHaye, Pastor and bestselling author, *Story Behind the Book*. There seems to be no turning back from the looming crisis in the Middle East. The Islamic and political rulers of Iran are set in their ideology by principle. The West and Israel are headed for some sort of confrontation economically, socially, and likely militarily. Mark Hitchcock's background as a lawyer, pastor, and expert in Bible prophecy suits him perfectly as a Christian authority on the subject. Timing is critical, and his new book will release as more and more everyday people, Christians and non-Christians alike, realize the gravity of world events and question how they relate to Bible prophecy. Every Prophecy of the Bible John F.

Walvoord, 2024-10-01. From one of the most respected theological minds of the twentieth century, this revised and updated classic book on biblical prophecy uses solid biblical evidence to explain over 1,000 key prophecies of Scripture, including those that point to events still to come. A global pandemic, wars, and uprisings, and economic instability have many of us wondering, "Is this the end of the world?" Now you don't have to be a biblical scholar to answer that question. In *Every Prophecy of the Bible*, Dr. John F. Walvoord offers clear explanations for prophecies from Genesis through Revelation. This fascinating book explores how past, present, and future fit together in God's perfect design. Explains how 50 percent of biblical prophecies have already happened. Places each prophecy into historical and current context. Celebrates the accuracy of God's Word. Offers hope and peace in troubled times. Don't just wonder about the signs of the times; understand them. *Every Prophecy of the Bible* is a faith-affirming, highly readable guide about prophecies already fulfilled, those yet to come, and what they mean for us today. **Birth, Criminal History and Judgment of the Roman C. Church** Luis Munoz, 2013-08-16. This

book uses history and the Bible to offer a fresh and scriptural interpretation of passages of the Bible which for centuries remained a mystery to the student of Bible prophecy, including Mystery Babylon, the great mother of harlots, and of the abomination of the earth. I will explore the myths and deception of Roman Catholicism and their direct connection with the idolatrous worship system of the Mother and Child of ancient Babylon. The claims that Roman Catholicism is the only true Church of Christ on Earth and the claim that man can't find salvation apart from her is the greatest deception the world has ever known. Centuries of moral crisis and sexual abuse of children speak volumes about the true nature of the leaders of the Catholic Church. The abhorrence of marriage and the negative view of women recorded in the Canon Laws clearly reflect the Vatican's Gnostic belief on sexual intercourse and the imposition of celibacy. Many people throughout the world equate Christianity with everything that is vile, contemptible, and depraved. For centuries, the Roman C Church suppressed basic human rights and also persecuted and murdered anyone who held beliefs which conflicted with the dogma of the church. During the horrors of the Inquisition, tens of thousands of people were tortured, dismembered, beaten, and burned alive, all in the name of a fraudulent faith. Roman Catholicism is the false representation of truth, and also the cause great many people throughout history have repudiated true Christianity. The history of crimes the papacy has committed throughout history is so

compelling that it would inevitably lead any objective thinker to the conclusion that throughout the history of the world there hasnt been any other organization as notorious as the Roman C Church The long history of cruelty crimes and immorality that for centuries the church of Judas has committed on every generation provides irrefutable proof that she is not of God
