2022 Summer International Bible Conference Lecture Book The Word Forum,2022-07-24 [Summer Showers In Brindavan 1972 to 2002](#) Sri Sathya Sai Media Centre,2022-11-19 Message from Bhagawan Sri Sathya Sai Baba Philosophy is the butter churned out of knowledge But since human aspirations and ideals which change from place to place and time to time decide which aspects of knowledge are included in the churning process it is often incomplete or inadequate or contradictory Generally speaking religious beliefs and practices folkways customs and traditions educational methods art forms etc help the formulation of the underlying philosophy Believing that the world as cognised during the waking state is real and that the highest goal is the attainment of happiness in that world man accumulates the instruments and symbols of that happiness he fashions after his own taste and inclination according to the dictates of his own reason the laws ideals institutions and principles that would bolster that happiness This attempt leads to a philosophy which can be named Western But can the goal of Life be just this to struggle amidst the waves of joy and grief that rise and fall in this visible objective world to be carried along the current of desire gathering food shelter comfort and pleasure and finally to flounder into the jaws of death Consider what is happening now in the name of progress art is degraded into immoral and sensuous

entertainment educational advance results not in advance of humility and reverence but in rampant indiscipline arrogance and irreverence The emphasis long placed on the development of character and the promotion of virtue through education has now been dropped In their place are enthroned as ideals worldly success self aggrandisement and high living Laws rules and regulations are multiplying fast but there is no sign of unrighteousness and injustice being diminished Greed is growing beyond control the advance of science is marked not by a proportionate advance in peace and happiness but by a phenomenal increase in terror unrest and anxiety With his thousand faced curiosity man is analysing and utilising the outer world but the inner world which is basic is ignored and forgotten Human life is a composite of the secular and the spiritual But now the flesh is coddled while the spirit is consigned into oblivion As a result neither the individual nor society nor the nation can hope to have peace and security The framework of Creation is an amalgam of right and wrong joy and grief cold and warmth so it is against Nature to expect only right or only joy only wrong or only grief It is not possible to uproot right wholly from the world nor is it possible to uproot wrong wholly free from grief in any form The burden of wrong and the agony of grief can be reduced however in proportion to the loyalty that man offers to sublime ideals and his efforts to put them into practice So long as man lives on the level of the beasts concentrating all his talents on the task of securing food shelter and other physical and material needs the unrest now rooted in his heart cannot be got rid of Therefore the path of Dharma or Righteousness which ensures inner purification and harmony should not be given up What is Dharma It is the way of higher life directed by the ideals one holds dear by the level of attainment one has reached by the status of the individual in society and the individual s own awareness of himself and his status Mere awareness of I am a human being will not guide him into the path of Dharma those who are aware only of this will be guided only into the path of feeding sleeping and the avoidance of fear from danger Awareness of I am a human being is only half the truth I am not a beast is the other half Always remind yourself of what you are as well as what you are not when this is done when activities are in accordance with that awareness man will be manifesting the full significance of the name he is known by When man has resolved to understand his reality by the method of enquiry he must avoid the error of condemning the points of view held dear by others It is not right to deny their validity He has to give value to all aspects consider all views for there is no clear cut distinction between mine and thine this and that other Truth is Knowledge Knowledge is Limitless Truth has to be discovered by analysing the complex mass of facts and things Indian Culture is the product of the experience of generations in the field of this Truth of Knowledge that is limitless that is seen through the vision of the Wise When students have the chance once to look upon this Culture to contact its living embodiments and expressions and to hold converse with its manifold manifestations all doubts regarding it will vanish from their minds It is a fact that persons who are too lazy to learn who have not grasped the validity of Vedanta or the relative reality of the world feel that Indian culture is at best a ruse to while away one s time We are not concerned with such persons They have such ideas because they do not know that Vedanta is their

own history Animals are not conscious that they are alive they live without being aware of life If man too leads life in this manner verily he is no better than a mere animal Your forefathers were being fed from infancy on breast milk reinforced by the mixture of sublime ideals and principles of righteousness As a result they stuck to the path of righteousness steadily in a commendable form They strove to help each other cooperated in all efforts to promote the welfare of others and sympathised when others suffered or incurred loss or injury They did not allow feelings of hatred revenge or violence to tarnish their minds They recognised that their chief duty was to devote themselves to activities conducive to the general good Today those who pride themselves on the enormous advance achieved by man and prance about prattling the stories of their paltry victories are only demonstrating by their behaviour that they are totally ignorant of the high principles followed in life by their forefathers What is the reason for the disappearance from the present generation of the sublime virtues of those days of sympathy and mutual aid of the peace and happiness that prevailed then No enquiry is probing into this problem Can a King declaring himself the master of a state fulfil all the wishes of his subjects Why he finds himself incompetent to fulfil even all his own wishes If he decides to pursue his fancies on the plea that he is the lord and master his subjects draw him down from the throne How does this happen However high a person's authority he has to bow his head to some laws and limits that are laid down to ensure proper exercise of that power They might have been laid down by the king himself but once accepted and announced he is bound to them as strongly as any one else If he acts in contravention of the covenant the subjects too would break away from the laws and limits that regulate their activities and behaviours and anarchy would result For the saying goes As the ruler so the ruled Therefore the law maker should obey the law he who lays down the limit should himself respect it This is the precious lesson the shining lamp of wisdom that the Ramayana is holding forth for the benefit of man This is the excellence of the culture and history of India Students have to be instructed on these monuments of Indian Culture and informed of the ideals which they embody Their intellects thus charged and cleansed have to be offered to the nations of the world as ideals to be emulated They themselves will be saved thereby they will serve as guides and leaders to others Intending to place before them the Truth to remove from their minds the ruinous beliefs that have sprouted there as a result of the craze for novelty in recent times and to uproot the specious arguments and fantastic doubts that are clinging to their reasoning faculty and resolving to imprint on the pure steadfast and conceit less hearts of the young the peace and joy that their forefathers were able to live in we have arranged to invite elders of invaluable experience in these fields and instruct youth on moral ethical spiritual physical and secular truths When such a sacred Yajna is held every year present day youth can easily understand and appreciate not only the Culture of India but also the Wisdom garnered by people of other lands Thus they will be rid of all feelings of separation and difference they will be equipped and made ready to demonstrate in their lives the Truth that has been revealed to them This Summer Course on Indian Culture and Spirituality has been planned and arranged with this belief and in this faith May this attempt achieve Victory May all beings derive therefrom Peace Happiness

difficult ones Unit 1 Intended for Good The Genesis story of Joseph and his brothers is one of the great stories from the Bible with forgiveness and grace among its underlying themes As the story stretches over several chapters of Genesis the four weeks of this unit give us ample time to explore it and see how the meaning of its events changed as Joseph recognized God at work behind the scenes Scriptures Genesis 37 5 28 Genesis 39 1 21 Genesis 41 1 16 25 32 Genesis 45 1 15 Spiritual Practice Forgiveness Unit 2 The People Next Door Neighbor is an important theme in both the Old and New Testaments and so this four lesson unit delves into it from several perspectives The first lesson Lesson 5 in this quarter gathers various verses from Proverbs on that topic The second lesson using a passage from the book of Ruth invites us to think about what it means to be a neighbor to immigrants The third lesson looks in the book of Acts for how the early church leaders incorporated neighborliness into the church s structure And the fourth lesson takes us to Mark s Gospel for an example of four individuals who were true neighbors to a man in need Scriptures Proverbs 3 27 30 6 1 5 25 20 23 Ruth 2 4 16 Acts 6 1 7 Mark 2 1 12 Spiritual Practice Scripture Unit 3 The Five Stages of Job As suffering in some form comes to most of us at some point or points in life it is useful to consider how Job who suffered greatly responded to it and to learn from his experience The five lessons of this unit show us five diverse ways Job responded to his calamities worship resignation protest angry despair and acceptance While not suggesting that all of these are useful in every case the lessons help us recognize what may be going on in our spirits when suffering overtakes us Scriptures Job 1 8 20 Job 1 21 22 2 7 10 Job 19 1 6 13 19 Job 30 16 23 Job 40 1 5 41 1 10 42 1 6 Spiritual Practice Lament

Daily Bible Study Summer 2022 Michelle J. Morris, Sue Mink, Stan Purdum, 2022-04-19 Daily Bible Study is a great companion to the quarterly Adult Bible Studies or as a stand alone study It is presented in quarterly segments Bible based and Christ focused it coordinates with the lesson themes of Adult Bible Studies Each daily reading includes a one page Bible study for each day of the quarter along with introductory reflection questions and commentary on the daily Scripture passage life application and a concluding prayer Daily Bible Study Summer 2022 Theme Transform The lessons this quarter begin with a look at the ministry of the Holy Spirit that brings new life to us as members of the body of Christ Jesus tells the disciples in John's Gospel that he must leave so that the Comforter or Holy

Spirit could come The Spirit will lead and guide us into all truth and bring gifts and graces to all who will receive them This transforming power prepares us for ministry in the world The Holy Spirit s work in empowering us to be the church and carry out its mission is not limited to time and space The lessons in Unit 2 take us through a series of events in the context of Jewish and Gentile hostility in which we see how the Holy Spirit moved the church forward to serve others The final four lessons in this quarter explore a problem that has plagued humankind throughout the ages violence How do we as the people of God confront and overcome this menace to the faith Unit 1 The Fruit of the Spirit Paul used the metaphor of fruit to help us understand that our lives are like the firstfruits of offering Through participation in Christ s crucifixion through baptism we have offered our lives to God s service The Holy Spirit then gives us gifts to display Scriptures Acts 2 1 4 17 21 33 38 39 1 Corinthians 2 10 16 Galatians 5 13 21 Galatians 5 22 26 Spiritual Practice Silence Unit 2 The Work of the Church These lessons take us through a series of events in the Book of Acts in which the activity of the Holy Spirit drives the action forward The lessons in Unit 1 identify the gifts granted to us by the Spirit these lessons look at the path on which the Spirit directs our lives and how the Spirit is already active before we arrive at our destination Scriptures Acts 4 23 31 Acts 8 26 39 Acts 11 1 18 Acts 15 1 21 Acts 16 25 34 Spiritual Practice Service Unit 3 The Pursuit of the People God s word established a created order that depends on fruitfulness and cultivation rather than violence to maintain it but humanity through its rivalries brings violence into God s created order It is clear from Scripture that God s intent is to reestablish shalom the Hebrew word that means a shared well being and abundance While violence remains a part of the created order God does not quietly sanction the human use of violence and calls us to imitate God s love and work toward shalom Scriptures 1 Chronicles 22 6 10 17 19 Matthew 5 9 38 48 Ephesians 2 11 22 Matthew 26 47 56 Spiritual Practice Remembering

Daily Bible Study Summer 2020 Stan Purdum, 2020-04-21 Summer Theme Community This summer our lessons support the theme of Community The writer of the student book lessons is Robert Gardner the teacher book writer is Martha Myre A New Thing Spiritual Practice Study Scripture Deuteronomy 8 1 10 1 Kings 18 20 39 2 Kings 22 8 20 Hosea 1 2 11 If you look at the texts of this unit in the sequence they are laid out over the four lessons it may not be immediately apparent why the unit theme is A New Thing While Lesson 1 presents God s charge to ancient Israel to keep the commandments Lessons 2 and 3 focus on incidents brought about by the people failing to keep the commandments and Lesson 3 adds the note of divine judgment It s only when we get to Lesson 4 that the new creation theme emerges But after the journey the first three lessons takes us through the need for a fresh start is obvious and the message of restoration that God announces through Hosea is most welcome A New People Scripture Jeremiah 23 1 8 Daniel 1 8 17 Daniel 3 19 30 Nehemiah 9 9 17 32 33 Spiritual Practice Prayer While the Lord invites all to be people of God the Old Testament is essentially the story of God s dealings with a specific group of people the Israelites The four lessons of this unit give us an opportunity to look at some key stories related to those dealings God and the remnant the community s connection to God God s care for the people in a time of great stress and how God s

love for the people continued despite their unfaithfulness All these stories have applications to us today but we begin to learn about God's ways through biblical stories about God and the Israelites A New Way of Life Scripture Luke 19 1 10 John 4 7 30 39 42 Luke 10 25 37 Matthew 15 21 28 Mark 5 1 20 Spiritual Practice Hospitality The Bible passages in the five lessons of this unit are all intended to enlarge our understanding of the word neighbor Four of the five are incidents that directly involve Jesus and the fifth is a parable Jesus told expressly to show what it means to be a neighbor the parable we call the parable of the good Samaritan All these passages are important for they elucidate Jesus summary statement of one of the two most important commandments You must love your neighbor as you love yourself Matthew 22 39 This ongoing day by day Bible study series is a great companion to Adult Bible Studies but can also be used as a standalone study for anyone wanting daily time with God It is presented in quarterly segments Bible based Christ focused and United Methodist approved this resource helps individuals develop the discipline of studying the Bible every day and coordinates with the lesson themes of Adult Bible Studies Each lesson includes a one page Bible study for each day of the quarter along with introductory reflection questions and commentary on the daily Scripture passage life application and a concluding prayer Now in response to feedback we are introducing new features and benefits to the resources including A comprehensive Bible study plan with more flexibility in terms of Scripture selection and topics Observation of the church seasons including Advent and Lent Visit AdultBibleStudies.com and sign up for the FREE weekly newsletter to automatically receive the FREE Current Events Supplement and other information about these resources and more
