Conan Doyle Douglas Kerr,2013-07-18 Conan Doyle Writing Profession and Practice approaches Conan Doyle s writing in terms of themes such as sport science crime and empire finding within it a complex and surprising interpretation of a late Victorian and early twentieth century world emerging into a troubling modernity *The Cambridge Companion to Sherlock Holmes* Janice M. Allan,Christopher Pittard,2019-05-02 Accessible exploration of Sherlock Holmes and his relationship to late Victorian culture as well as his ongoing significance and popularity *The Edwardian Detective* Professor Joseph Kestner,2017-11-22 This title was first published in 1999 the law as literature the role of literature in surveillance and policing the interpretation of legal issues by literature the degree to which literature describes and interprets law the description of legal processes in detective literature and the connections between detective literature and cultural practices and transitions Sherlock Holmes Handbook Christopher Redmond,2009-09-28 Here in one convenient volume is everything needed for the enjoyment of Holmes canon Investigative Psychology David V. Canter,Donna Youngs,2009-12-21 This ground breaking text is the first to provide a detailed overview of Investigative Psychology from the earliest work through to recent studies including descriptions of previously unpublished internal reports Crucially it provides a framework for students to explore this exciting terrain combining Narrative Theory and an Action Systems framework It includes empirically tested models for Offender Profiling and guidance for investigations as well as an agenda for research in Investigative Psychology Investigative Psychology features The full range of crimes from fraud to terrorism including burglary serial killing arson rape and organised crime Important methodologies including multi dimensional scaling and the Radex approach as well as Social Network Analysis Geographical Offender Profiling supported by detailed analysis of the underlying psychological processes that make this such a valuable investigative decision support tool The full range of investigative activities including effective information collection detecting deception and the development of decision support systems In effect this text introduces an exciting new paradigm for a wide range of psychological contributions to all forms of investigation within and outside of law enforcement Each chapter has actual cases and quotations from offenders and ends with questions for discussion and research making this a valuable text for undergraduate and postgraduate courses in Applied and Forensic Psychology Criminology Socio Legal Studies and related disciplines **Postal Pleasures** Kate Thomas,2012 In 1889 uniformed post boys were discovered moonlighting in a West End brothel frequented by men of the upper classes The Cleveland Street Scandal erupted and Victorian Britain faced the possibility that the Post Office a bureaucratic backbone of nation and empire was inspiring and servicing subversive sexual behavior However the unlikely alliance between sex and the postal service was not exactly the news the sensational press made it out to be *Postal Pleasures* explores the relationship between illicit sex and the Royal Mail from reforms initiated in 1840 up to the imperial end of the

nineteenth century With a combination of historical details and literary analyses Kate Thomas illustrates how the postal network its uniformed employees and its material trappings envelopes postmarks stamps were used to signal and circulate sexual intrigue For many the idea of an envelope promiscuously jostling its neighbors in a post boy s bag or the notion that secrets passed through the eyes and fingers of telegraph girls was more stimulating than the actual contents of correspondence Writers like Anthony Trollope Eliza Lynn Lynton Henry James Oscar Wilde Arthur Conan Doyle and others invoked the postal system as both an instrument and a metaphor for sexual relations that crossed and double crossed lines of class marriage and heterosexuality Postal Pleasures adds a new dimension to studies of the era as it uncovers the unlikely linkage between the Victorian Post Office and the queer networks it inspired

Shadow Sites Kitty Hauser,2007-03-29 At certain times of the day at sunrise and sunset the outlines of prehistoric fields barrows and hill forts in the British landscape may be thrown into relief Such shadow sites best seen from above and captured by an airborne camera are both examples of and metaphors for a particular way of seeing the landscape At a time of rapid modernisation and urbanisation in mid twentieth century Britain an archaeological vision of the British landscape reassured and enchanted a number of writers artists photographers and film makers From John Piper Eric Ravilious and Shell guide books to photographs of bomb damage aerial archaeology and The Wizard of Oz Kitty Hauser delves into evocative interpretations of the landscape and looks at the affinities between photography as a medium to capture traces of the past as well as their absence

Articulating Dinosaurs Brian Noble,2016-08-12 In this remarkable interdisciplinary study anthropologist Brian Noble traces how dinosaurs and their natural worlds are articulated into being by the action of specimens and humans together Following the complex exchanges of palaeontologists museums specialists film and media makers science fiction writers and their diverse publics he witnesses how fossil remains are taken from their partial state and re composed into astonishingly precise animated presences within the modern world with profound political consequences Articulating Dinosaurs examines the resurrecting of two of the most iconic and gendered of dinosaurs First Noble traces the emergence of Tyrannosaurus rex the king of the tyrant lizards in the early twentieth century scientific literary and filmic cross currents associated with the American Museum of Natural History under the direction of palaeontologist and eugenicist Henry Fairfield Osborn Then he offers his detailed ethnographic study of the multi media model making curatorial and laboratory preparation work behind the Royal Ontario Museum s ground breaking 1990s exhibit of Maiasaura the good mother lizard Setting the exhibits at the AMNH and the ROM against each other Noble is able to place the political natures of T rex and Maiasaura into high relief and to raise vital questions about how our choices make a difference in what comes to count as nature An original and illuminating study of science culture and museums Articulating Dinosaurs is a remarkable look at not just how we visualize the prehistoric past but how we make it palpable in our everyday lives

Final Seance Massimo Polidoro, 2010-06-03 Polidoro has written and written well a saga of two Titans that is also a remarkable exploration of both superstition and obsession at the lush twilight of the Edwardian era Baltimore Sun This is the story of an unusual friendship between two of the most intriguing characters of the early 20th century renowned escape artist Harry Houdini and celebrated mystery writer Sir Arthur Conan Doyle creator of Sherlock Holmes Both men were fascinated by the occult practice of spiritualism Houdini as an ardent skeptic who often publicly exposed fraudulent mediums and Conan Doyle as a true believer who became convinced that the dead could and did communicate with the living Despite their differing perspectives the two men not only respected each other but became friends The correspondence between them on the subject provides a fascinating glimpse not only into the personalities of two talented and interesting celebrities but also into a psychic phenomenon that is the ancestor of today s channeling craze Based on original correspondence photographs and his own extensive research Massimo Polidoro reconstructs this unusual friendship between a believer and a skeptic which

weathered mediums seances an apparition of Houdini's departed mother automatic writing by Conan Doyle's wife public debunkings and hurt feelings He also discusses the final rift that ended the friendship of the two strong-willed men Fans of Conan Doyle Houdini magic and the historical roots of the New Age will be delighted by this amazing story Massimo Polidoro is executive director of the Italian Committee for the Investigation of Claims of the Paranormal editor of *Scienza Paranormale* Science and the Paranormal and author of twelve books on the paranormal [Shadows in the Attic](#) Neil Wilson, 2000 A concise biography of each author is followed by an informed and annotated bibliography of their supernatural stories and novels Sources for further reading are also given *Shadows in the Attic* is not only an authoritative guide but a reliable and engrossing introduction to the whole of British supernatural fiction **BOOK JACKET**

his self destructive habit I have read the stories several times since and I am sure I will read them several times again in future For it is through them that I developed a love for the English language and this love affair will continue as long as I am physically able to read MEET THE AUTHOR Sourya is a former risk analyst and has worked with several financial organizations of international repute besides being a freelance journalist with several articles published online After 6 years of work he decided to pursue his MBA from the University of Notre Dame Sourya has a Bachelors in Engineering from the Indian Institute of Information Technology He is also a member of high IQ organizations Mensa and Triple Nine Society and is negotiating with publishers to get his science fiction work published EXCERPT FROM THE BOOK Since the first time Sherlock Holmes made an appearance in 1887 he has been the defining character of detective fiction There have been famous fictional detectives before Edgar Allen Poes Auguste Dupin and Emile Gaborieus Monsieur come to mind and there have been famous fictional detectives since Agatha Christies Hercule Poirot and GK Chestertons Father Brown are notable examples however none have reached the heights of popularity that the fictional occupant of 221B Baker Street attained As a book The Memoirs of Sherlock Holmes presents an interesting insight into the morality of its age When the collection was first published in London in 1894 it did not include The Adventure of the Cardboard Box although all twelve stories had appeared in the Strand Magazine where they had been serialized Consequently while the US edition did include that story it was soon removed Although it is difficult to be certain the author himself may have been the reason behind this removal considering the involvement of adultery in the story Even though current UK editions of the Memoirs do include that story American editions dont CHAPTER OUTLINE Quicklet on Sir Arthur Conan Doyle s The Memoirs of Sherlock Holmes Personal Introduction About the Author About the Book Overall Summary and much more [The Sherlock Holmes Journal](#) ,1988

Sherlock Holmes in Context Sam Naidu,2017-03-17 This book of interdisciplinary essays serves to situate the original Sherlock Holmes and his various adaptations in a contemporary cultural context This collection is prompted by three main and related questions firstly why is Sherlock Holmes such an enduring and ubiquitous cultural icon secondly why is it that Sherlock Holmes nearly 130 years after his birth is enjoying such a spectacular renaissance and thirdly what sort of communities imagined or otherwise have arisen around this figure since the most recent resurrections of Sherlock Holmes by popular media Covering various media and genres TV film literature theatre and scholarly approaches this comprehensive collection offers cogent answers to these questions *Purity and Contamination in Late Victorian Detective Fiction* Dr Christopher Pittard,2013-05-28 Concentrating on works by authors such as Fergus Hume Arthur Conan Doyle Grant Allen L T Meade and Marie Belloc Lowndes Christopher Pittard explores the complex relation between the emergence of detective fictions in the 1880s and 1890s and the concept of purity The centrality of material and moral purity as a theme of the genre Pittard argues both reflected and satirised a contemporary discourse of degeneration in which criminality was equated with dirt and disease and where national boundaries were guarded against the threat of the criminal foreigner Situating his

discussion within the ideologies underpinning George Newnes's Strand Magazine as well as a wide range of nonfiction texts Pittard demonstrates that the genre was a response to the seductive and impure delights associated with sensation and gothic novels Further Pittard suggests that criticism of detective fiction has in turn become obsessed with the idea of purity thus illustrating how a genre concerned with policing the impure itself became subject to the same fear of contamination Contributing to the richness of Pittard's project are his discussions of the convergence of medical discourse and detective fiction in the 1890s including the way social protest movements like the antivivisectionist campaigns and medical explorations of criminality raised questions related to moral purity
