Devotedness unto Death

Recently, whilst in Bangkok for the meeting in relation to the Congregational Website discussion on the Motto '**Devotedness unto Death**' occurred. Questions arose as to its origin, how it developed and its relevance and place for today. The following is a summary of what I have so far discovered. No doubt there are other examples hidden away in a variety of Archival Documents.

To begin with it is clear that the writings of St Emilie convey the sentiments of '**Devotedness**' which occasionally she expressed in her letters.

*I have not only the conviction of the truth of my own vocation, but also the admirable cooperation of my Sisters. They have been and will always be **Daughters of Devotedness** and of sacrifice. (to Sr. Pauline Gineste 1840)*

And

*God wishes to distinguish our Institute by establishing it on the basis of a great generosity towards him, and by molding our souls to a sublime **devotedness**, which will consist not only in serving Him in the exercise of charity but also in working even under persecution. (to Sr. Elizabeth de Chamoin 1842)*

It is generally understood that this motto phrased as '**Devotedness unto Death**' did not come directly from St Emilie but developed over time. Following the death of Mother Emilie the word '**devotedness**' is occasionally included in the letters of the early Superior Generals especially in relation to a death of a Sister who portrayed **devotedness** in her way of life. In June 1898 Mother Celina Joseph Le Bouffo refers to Mother Melanie Souquie as having served the Congregation '*with so much wisdom and **devotedness**.*'

Later she writes:

*Our missions of Syria and Palestine are flourishing and are doing a great deal of good. They are expanding every day thanks to the **devotedness** of our dear Sisters.*
(17 December 1900)

*Never draw back from a difficulty, from an occasion of struggle, of **devotedness**.*
(May 1903)

On the occasion of the final Approbation of the Constitutions in 1903 Mother Celina urges the Sisters to live a life of simplicity with an interior spirit and **devotedness** towards our neighbor.

In notes from the 1913 General Chapter, we find a footnote.

Hebrew Bible Amy Kalmanofsky, 2014 Fathers sons and mothers take center stage in the Bible s grand narratives Amy Kalmanofsky observes Sisters and sisterhood receive less attention in scholarship but she argues play an important role in narratives revealing anxieties related to desire agency and solidarity among women playing out and playing against their roles in a patrilineal society Most often she shows sisters are destabilizing figures in narratives about family crisis where

property patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society Edith and Florence Stoney, Sisters in Radiology Adrian Thomas, Francis Duck, 2019-07-01 This book explores the lives and achievements of two Irish sisters Edith and Florence Stoney who pioneered the use of new electromedical technologies especially X rays but also ultraviolet radiation and diathermy In addition the narrative follows several intertwined themes as experienced by the sisters during their lifetimes Their upbringing influenced by their liberal minded scientist father set the tone for both their lives Irish independence fractured their family heritage Their professional experiences fulfilling for Florence as a qualified doctor but often frustrating for Edith as a Cambridge educated scientist mirrored those of other aspiring women during this period when the suffragist movement expanded and women s lobby groups were formed World War I created an environment in which their unusual specialist knowledge was widely needed and the sisters war experiences are carefully examined in the book But ultimately this is the extraordinary story of two independent but closely bonded sisters and their abiding love and support for one another **Sisters in Faith Holy Bible, KJV** Thomas Nelson, 2012-12-31 The Sisters in Faith Holy Bible is a sister to sister guide through the Word of God It demonstrates how His Word is active and will impact every interaction of life in a practical way for the African American woman Where can a woman go to find help with life s struggles Executive editors Michele Clark Jenkins and Stephanie Perry Moore believe the answers to life s problems can be found in the Bible The Sisters in Faith Holy Bible seeks to highlight where the Bible speaks to the five major areas of life God Family Others Self and Career Additional contributors include recording artist Joann Rosario Condrey novelists Kim Cash Tate Vanessa Davis Griggs and other scholars and artists committed to encouraging and empowering African American women with God s truth Features include Arise devotionals that teach how to apply the Bible Quest and Discovery notes that use scripture to answer common questions about life and faith She Speaks creative articles written from the perspective of women in the Bible Authorized King James Version text Center column References Concordance Part of the Signature Series line of Thomas Nelson Bibles The King James Version The most successful Bible translation in history with billions of copies published The Life and Remains, Letters, Lectures and Poems of the Rev.
