Sitting Still:

Traveling Sitting Still Robert Judge Woerheide, 2007-05 Robert's powers of observation the way he focuses on apparently minor details that most of us overlook make this collection of short stories a constant source of delight and surprise These stories elevate everyday experiences to the level of high literary art They do likewise with more profound human tragedies that cast an uncompromising light on the terrible things human beings knowingly and unknowingly do to one another Dennis M Clausen author of *Prairie Son* Rich with insight into the human condition *Traveling Sitting Still* short stories is a moving collection of short stories from author Robert Judge Woerheide In an age of increasing anonymity these hard edged uncompromising stories remind us that we are part of a greater whole Whether it's an injured American GI forced to dig his own grave during World War II a lonely germ phobic stuck on a freeway entrance ramp in Los Angeles or a man headed for divorce who finds solace in a Chiquita banana sticker Woerheide explores the darker aspects of humanity and our ability to exist within them

Teaching Children to Listen Liz Spooner, Jacqui Woodcock, 2010-01-21 Increasing numbers of children find it a challenge to stay focused on a task and follow even simple instructions in the classroom *Teaching Children to Listen* outlines a whole school approach to improving listening skills It begins by looking at why listening skills are important and how to overcome barriers to achieving them before pinpointing the behaviours that children need to learn in order to be a good listener The book includes The Listening Skills Rating Scale a quick assessment which will enable you to rate children on each of the four rules of good listening Advice on using these findings to inform individual education plans that focus on a specific area of difficulty 40 activities including games to target whole class listening and exercises particularly suitable for the Early Years Each activity sets out what equipment you need tips for facilitating and ideas for differentiation Perfect for children aged 3-11 all the games and ideas have been tried and tested and have proved successful with children with a range of abilities including those with special needs
