that standards come and go but good teaching remains grounded in proven practices that sharpen students literacy skills

writing students are doing while giving students more choice around those activitiesBalancing rigorous high quality
literature and non fiction works with student selected titlesEncouraging readers to deepen their comprehension by moving
beyond the four corners of the text Planning lessons that move beyond Common Core expectations to help young writers
achieve more authenticity through the blending of genresUsing modeling to enrich students writing skills in the prewriting
drafting and revision stagesResisting the de emphasis of narrative and imaginative reading and writingAmid the frenzy of
trying to teach to a new set of standards Kelly Gallagher is a strong voice of reason reminding us that instruction should be
anchored around one guiding question What is in the best interest of our students
