Size of the Problem Ryan Hendrix, Kari Zweber Palmer, Nancy Tarshis, Michelle Garcia Winner, 2021-02-01. NOTE: This storybook includes a read aloud option which is accessible on Google and IOS devices. Celebrate Jesse's birthday with his pals and all their dinosaur friends in storybook 9 of the We Thinkers Vol 2 social emotional learning curriculum for ages 4-7. It's Jesse's big day and everyone is so excited to share frosted cake, ice cream, fun games and gifts. But when the dinosaurs of all sizes come over, there are always problems. The friends learn that problems and their reactions to the problems come in small, medium and large sizes, just like dinosaurs, and that it's important and expected to match your reaction to the size of the problem to help everyone still feel comfortable so they can help solve the problem. Even when drinks get spilled, cake chomped and presents squashed, Jesse, Ellie, Molly and Evan learn how to size up the problem with the expected reaction so that everyone can figure out how to still have a great day. Continue building on this important social concept with the most abstract of all concepts in storybook 10 which aligns with the corresponding teaching unit within the related curriculum. Best practice: teach these concepts in order starting with storybook 1 of 10 while using the corresponding curriculum.
