Sinister Silence:

title character and his wife have a problem not so much the corpse in their bedroom as the fact that it's been there for fifteen years and is now growing slowly but surely crowding them out of their apartment In *The New Tenant* a similar crowding is caused by an excess of furniture as Harold Hobson said in the *London Times* there is not a dramatist who can make furniture speak as eloquently as Ionesco and here he makes it the perfect the terrifying symbol of the deranged mind In *Victims of Duty* Ionesco parodies the conformity of modern life by plunging his characters into an obscure search for a mallet with a t

Brokenvegetable Luke Ouellette,2008-10-18 This is a book of poetry written emotionally through the eyes of someone with more than one perspective on life It goes from the hardest graphic

violence to the softest heartfelt words and all in less than 175 pages **Admitting the Holocaust** Lawrence L. Langer, 1996-06-20 In the face of the Holocaust writes Lawrence L. Langer our age clings to the stable relics of faded eras as if ideas like natural innocence innate dignity the inviolable spirit and the triumph of art over reality were immured in some kind of immortal shrine immune to the ravages of history and time But these ideas have been ravaged and in *Admitting the Holocaust* Langer presents a series of essays that represent his effort over nearly a decade to wrestle with this rupture in human values and to see the Holocaust as it really was His vision is necessarily dark but he does not see the Holocaust as a warrant for futility or as a witness to the death of hope It is a summons to reconsider our values and rethink what it means to be a human being These penetrating and often gripping essays cover a wide range of issues from the Holocaust's relation to time and memory to its portrayal in literature to its use and abuse by culture to its role in reshaping our sense of history's legacy In many Langer examines the ways in which accounts of the Holocaust in history literature film and theology have extended and sometimes limited our insight into an event that is often said to defy understanding itself He singles out Cynthia Ozick as one of the few American writers who can meet the challenge of imagining mass murder without flinching and who can distinguish between myth and truth On the other hand he finds Bernard Malamud's literary treatment of the Holocaust never entirely successful it seems to have been a threat to Malamud's vision of man's basic dignity and he argues that William Styron's portrayal of the commandant of Auschwitz in *Sophie's Choice* pushed Nazi violence to the periphery of the novel where it disturbed neither the author nor his readers He is especially acute in his discussion of the language used to describe the Holocaust arguing that much of it is used to console rather than to confront He notes that when we speak of the survivor instead of the victim of martyrdom instead of murder regard being gassed as dying with dignity or evoke the redemptive rather than grievous power of memory we draw on an arsenal of words that tends to build verbal fences between what we are mentally willing or able to face and the harrowing reality of the camps and ghettos A respected Holocaust scholar and author of *Holocaust Testimonies: The Ruins of Memory* winner of the 1991 National Book Critics Circle Award for criticism Langer offers a view of this catastrophe that is candid and disturbing and yet hopeful in its belief that the testimony of witnesses in diaries journals memoirs and on videotape and the unflinching imagination of literary artists can still offer us access to one of the darkest episodes in the twentieth century [The Hinterkaifeck Murders](#) Madina Fedosova, 2025-04-30 1922 Hinterkaifeck Bavaria A small farm becomes the scene of a tragedy that shocked Germany and went down in history as one of the most brutal and enigmatic crimes of the 20th century Six people are brutally murdered The police are baffled Motives remain unclear This book is a fictional exploration of the events at Hinterkaifeck an attempt to understand what really happened and why this crime remains unsolved to this day **The Sinking of the Lusitania** Patrick O'Sullivan, 2014-09-10 In May 1915 the RMS Lusitania then the world's fastest liner departed from New York Seven days later she was torpedoed off the Irish coast with the loss of 1 198 lives Suspected by the Germans of carrying clandestine

munitions to Britain the great ship steamed into a fatal encounter with the German submarine U 20 One of the largest naval disasters in history it was a factor in bringing America into the First World War Patrick O Sullivan presents the complete story of the Lusitania a air exploring the cover ups and the theories on what caused the baffling second explosion His meticulous research reveals the most compelling explanation to date This is a fascinating account of one of the First World War s most reported on atrocities The Case of the Lazy Lover Erle Stanley Gardner,2023-05-31 A man tells everyone that his wife has run away with his best friend who seems to have a strange lack of enthusiasm about the affair The case leads to murder and a trial that hinges on multiple sets of footprints *The Trapper's Daughter: A Story of the Rocky Mountains* Gustave Aimard,2020-09-28 Quetzalcoatl David Herbert Lawrence,1998 A reprint of the 1920s Plumed Serpent restoring edited text Set in Mexico the novel traces the involvement of a worldly Irish widow with two men planning a revolution based on a revival of Aztec gods
